# Bikers

**Young people have a particular relationship with the world. For example – bikers.**

**Traditional definition of a biker:**

**a man who leads a lifestyle that revolves around being part of the brotherhood of riders of American-made motorcycles. Bikers prefer a heavy bike like Harley Davidson.**

**Bike subculture appeared in Russia with the appearance of Moscow club “Night Wolves” in 1989.**

# Goths

They wear the blackest black, with a lot of silver jewellery and look as thin and pale as possible. They gather together to read Bram Stoker and talk about being vampires, and about the end of the world.

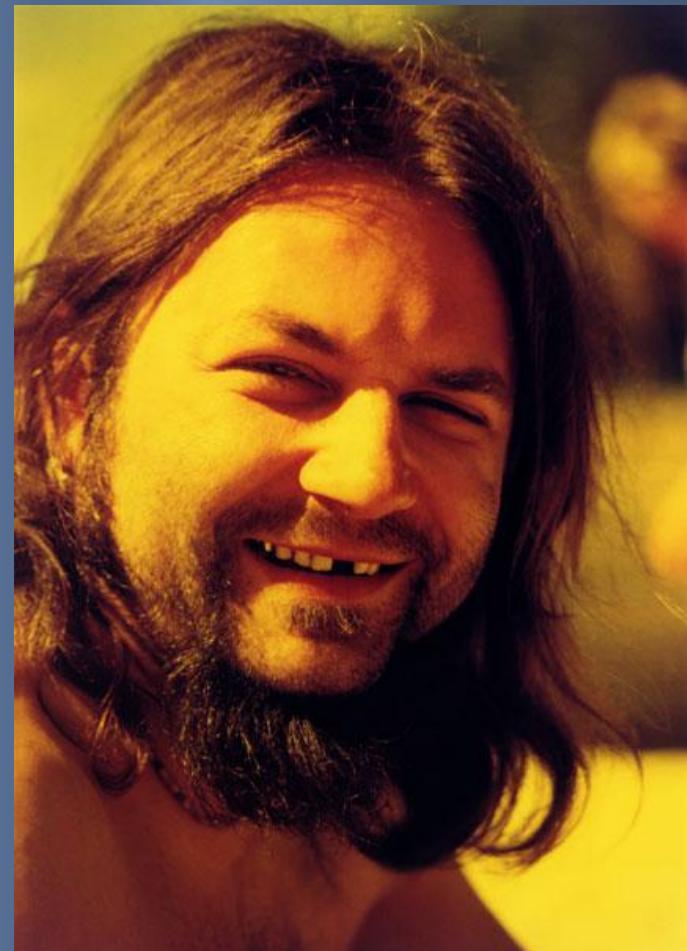

# Hippies

- **Some classify hippies like drug users and rock and roll fans, our behaviour differs from social norms. They don't conform to society's standards and support a liberal attitude and lifestyle. They always want to change the world to the best.**

# Skinheads

- **They cut their hair shorter than others do. Many skinheads are working class, patriotic, reggae and football fanatics. They wear tight trousers and heavy boots. Usually they are regarded as violent and aggressive.**

# Mods

A person has a college-style hair, a neat white shirt, a short jacket, or a short blazer jacket, and narrow trousers. The clothes are Italian by choice. Pale face, plenty of make-up. We prefer soul music.

# Ravers

- **Ravers are the folks who use computer-made, synthesized music, and drugs to create massive all-night dance parties in empty warehouses . They like to be in a collective. We want to try out all sort of options and are thought to be violent.**

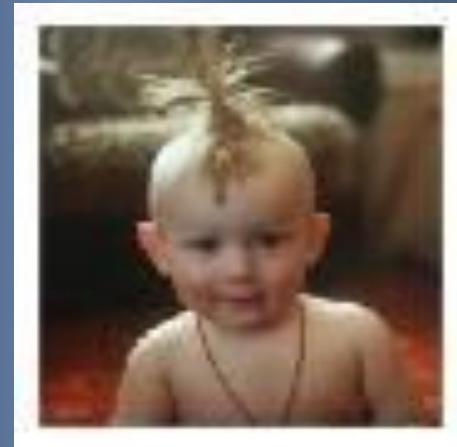

# ROCKERS

They wear a leather jacket, army boots and a cowboy hat just to show off. They are associated with something rebellious.

# Punks

- As rock 'n' roll became bigger and bigger in the '70s, it was time for another revolution - a return to a basic, raw, three-chord sound, namely, punk. From the streets of New York City and London, punk rock reverberated around the world and turned the rock 'n' roll status quo on its head. Punks are leather jacketed wise-guys called "The Dictators". They formed in 1973. Punks reject everything.
