# A Brave Monkey

- A small monkey lived in the jungle. Her name was Olivia. The jungle was beautiful and full of various food. There were yellow bananas, mango and other fruits. The monkey was small and kind, she had many friends. She always shared the bananas with her friends, and then they played together and jumped on the trees.

But one day the angry crocodile came from the river to the jungle. He was hungry and wanted to catch a monkey or other animal. He was strong and caught one of the Olivia's friend . He wanted to eat him. But the brave monkey Oliviiia decided to help the friend and started to struggle against the crocodile.

The crocodile was stronger and Olivia couldn't win him. Fortunately the hunters were in the jungle. The Olivia's friends called them. The hunters caught the crocodile and brought him to the city. Now he lives in a zoo.

And Olivija and her friends aren't afraid to play in the jungle. They know that friends will help each other in any trouble.
