OUR WORK AT THE PLANT

I study at the vocational school. I have practice on my profession at a big plant. My work is interesting and important. I am fond of my work. The workers of the plant fulfill and over fulfill the plan. The automation is introduced in many shops. The production is being constantly increased. My friends and I take part in social life of the plant.

I study and work three days a week. I'm learning many subjects. My favourite subjects are Physics and Literature. Besides, we have many special subjects. I study a trade of a turner and I operate a modern universal lathe. My foreman is an old worker. He is a skilled worker. He performs the most difficult operations.

After graduating from the vocational school I'm going to become a worker and study at the institute.
