

Welcome to Boston!

- Boston is the 5th largest city in the United States. Boston is the capital of Massachusetts. It is located on the Atlantic Ocean. Boston Harbor has always been an important port. The Charles River runs along the north side of the city and separates Boston from another well known city, Cambridge.

Boston Marathon

- One of the oldest marathon running race in the world. The first time a marathon in Boston has been spent in Day of Patriots in 1897. The Boston Marathon is held each April.

Boston Symphony Orchestra

- Boston is home of one of the best Symphonies in the USA – the Boston Symphony Orchestra. The Symphony usually performs in Symphony Hall on Massachusetts Avenue.

University

- The oldest university in the USA, Harvard University, was founded in 1636. The Massachusetts Institute of Technology, or MIT, is also located in Cambridge. Many people call Boston a «College Town»

MASSACHUSETTS INSTITUTE OF TECHNOLOGY

1865

Parks

Boston has many nice parks. The Public Garden is home of a famous statue based on book *Make Way for Ducklings*. It is a statue of mother duck leading her baby ducklings safely from the duck pond.

The Boston Tea Party

- In 1773, to protest a new set of taxes on tea, a group of Americans dressed up like Indians, climbed aboard a ship full of tea and threw it all overboard into Boston Harbor. This was known as the Tea Party In 1775, British soldiers marched from Boston to the towns of Lexington and Concord to investigate rumors of guns being stored

The Freedom Trail

- The Freedom Trail is marked by red brick line that runs through the city streets of Boston connecting 16 historic sites. It starts at the Boston Common and the State House and goes by the Paul Revere house, Faneuil Hall, the USA Constitution and Bunker Hill Monument.
