

# THE MOST FAMOUS WONDERS OF NATURE IN THE WORLD

Автор: Никулина Екатерина Леонидовна,  
учитель английского языка,  
МБОУ «Средняя общеобразовательная  
школа с углубленным изучением  
отдельных предметов №74» г.Кирова

An aerial photograph of the Curonian Spit, a long, narrow peninsula in the Baltic Sea. The image shows a dense forest of green trees covering most of the land, with a sandy beach and dunes along the coast. The water is a mix of blue and green, indicating varying depths and sediment. The title "The Curonian Spit" is overlaid in a large, black, serif font with a thin underline.
