## **MOBILE PHONES**

1. 2. 3. 4. 5. 6.

n u M b e r c O d e p u B l i c c I t y c a L l t e l E phone

Mobile phones were first introduced in 1995. Ten million people in Britain bought a mobile phone. Andy likes mobile phones. Karen feels safer when she is carrying a mobile phone. Some people believe mobile phones can make you ill. Tara wants a mobile phone now.

## **ORDERING A TAXI**

Hello. Yellow Taxi Office. Where do you live? Where will you go? When do you want a taxi car? Thank you for your ordering. Please, wait for it.
