Home work

**Write your opinion:
Advantages and
disadvantages of
British and American
schools.**

What new information have you learnt today?

What new facts were interesting for you?

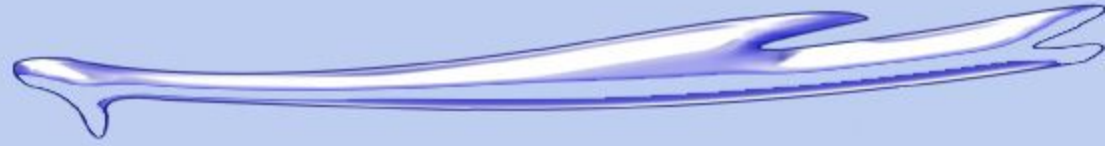

Did you like the exercises we have done?

Do you like the lesson?

As Henry Ford said: *Anyone who stops learning is old, whether at 20 or 80. Anyone who keeps learning stays young.* Remember about it.

**Thank you for
your work**
