

Tips of Bars

Grill bar

At the grill bar you can taste any kinds of the grilled meet, fish, seafood and vegetables

Beer bar

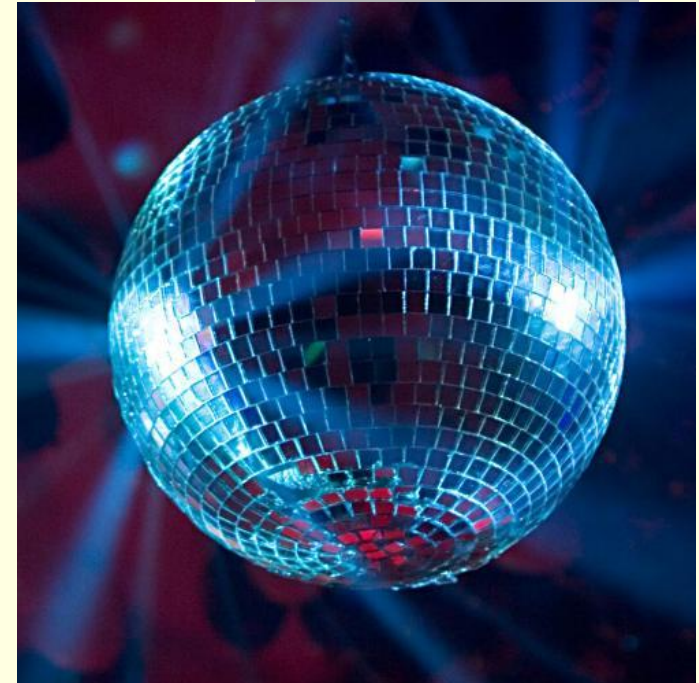

In the beer bar they sell bottled and draught beer. They usually have no strong drinks on sale. For a snack you can take anything what is good for beer

Express - Bars

You can find Express – Bar in the shopping centres, airports, subway stations or railway stations. Their aim is to serve the customers as quick as possible.

Disco - Bar

People come to these bars to dance, to listen to the music, to see the performance and to have a good time. The halls in the Disco-Bar have special devices producing lights effects.
