Module 4

Spotlight on Russia, p.6

Geese - swans is my favourite Russian folk tale. All children know it.

**Geese-swa
ns**

Mother and father go to the market and leave their children at home. They tell their daughter Alenushka to look after her little brother Ivanushka.

Alenushka's girlfriends ask her to play with them in the garden and she goes away. She forgets about Ivanushka.

Suddenly Geese-swans come and take her brother Ivanushka away.

Alenushka goes to find and save her brother. She is a brave and kind girl.

On the way Alenushka helps the Magic River, the Magic Apple tree and the Magic Oven.

So she finds her brother at Baba Yaga's house and save him.

The Magic River, the Magic Apple tree and the Magic Oven help her too because they remember her kindness.

They are at home. Their parents come back with presents for children. All are happy.
