

ИЗ ОПЫТА РАБОТЫ  
УЧИТЕЛЯ АНГЛИЙСКОГО  
ЯЗЫКА

МОУ Гимназия №15 им. Н.Н.  
Белоусова г.Сочи

Пискуновой Татьяны  
Григорьевны

Как вызвать интерес у нынешних детей к учебе?

Как заставить ребенка мыслить, рассуждать, доказывать?

Как научить всех - и сильных, и слабых?

*Я думаю, что все эти вопросы задавал себе хотя бы раз каждый учитель, которому не безразлична будущая судьба своих подопечных.*

В каждом человеке природой заложены задатки творческой деятельности. Дело учителя - развить их и реализовать в ходе обучения. При этом учитель должен помнить главную заповедь - чтобы работа была интересной, творческой, уроки не были однообразными, и у учащихся появился интерес к учебе, он сам должен работать творчески - находить и использовать педагогические "изюминки" в процессе обучения. В результате учитель сможет заинтересовать детей предметом, научить их работать творчески, и тогда не будет регламентироваться словом "надо" и "обязательно".

**Интерес к учению есть там, где есть вдохновение.**

Для постановки правильного произношения привлекаю на своих уроках Мистера Язычка, который повествует ребятам о своих невероятных приключениях. Сегодня у Mr Tongue День рождения! С самого утра он очень рад [ei-ei-ei] и зовет своих друзей. Пока гости не пришли Mr Tongue надувает шарики [s-s-s], вот зазвонил колокольчик [η-η-η]. Кто же это? Угадайте – [r-r-r], [u-u-u], [g-g-g]. Друзья принесли много подарков, Mr Tongue очень рад!
