

My future profession

Made by
Dasha Somova
student of 6th
form of the
Lyceum № 4

There are many different and important professions.

I like professions of a doctor, a lawyer , a
journalist, a stylist.

When I grow up I would like to be a stylist. I think that I will be a good stylist

.

I have time to learn this profession.

**Thank you
for the
attention!**
