RIDDLES

We are very large though we seem small,
We float on high and never fall,
We shine like jewels in the night,
But in the day are hid from sight.
What are we?

(the stars)

What fall, but never rises?

(rain)

Two bright sisters are always running and never meet.

(the sun and the moon)

A blue sheet which covers the whole world.
What is it?

(the sky)
