# *Sculpture "Aurora".*

In the highest point of the city of Krasnodar there is a majestic building of the best Kuban movie theater, and the embodiment of the goddess of a morning dawn, a statue of "Aurora" be near. The general height of the sculpture made of the forged aluminum is 14 meters, and together with a pedestal the general height of a monument – 16.8 meters

# Monument to the Kuban Cossacks

On April 7, 2005 on one of the  
pochitayemykhprazdnik  
of the Orthodox Annunciation  
church in the capital  
Kubanisostoyalos really  
historical event  
– a ceremonial opening  
of a monument  
to the Kuban Cossacks.

# *Monument to A.S. Pushkin*

1999 passed under the sign of bicentennial anniversary of the great Russian poet Alexander Sergeyevich Pushkin. Kuban, as well as whole country solemnly celebrated anniversary of the poet. On all edge there were concerts, the dramatized statements, and the culmination of festivals became opening of a monument to Alexander Sergeyevich in the center of the Kuban capital.

# Monument to the victims of fascist terror

Monument to 13 thousand to residents of Krasnodar to the victims of fascist terror. Is in Pervomaisk the city park.

Only half a year fascist occupation of Krasnodar lasted, but these days were present hell for residents.

Exactly there are Nazis for the first time applied new type of a massovogoistrebleniye people – "dushegubk".

In total in the capital of Kuban chasteners destroyed more than t

# Pamyati Geroyev Square

Pamyati Geroyev Square. A memorial complex to the Kuban residents who died in fight for the Homeland. From Shaumyan Street the wall on which it is written was stretched: "They trusted in bright future of the people. And the life alienate him in fight for happiness". "They are absent ... but they are with us always. They won on this right to be eternal near live".

# Monument to A.V. Suvorov

Is in Mariinsky Square opposite to the highest military college of S.M. Shtemenko. The name of this outstanding Russian commander is known to everyone without exception to the resident of our country. His life became a legend to which it is difficult to add something. It reached top in military science, diplomacy, construction, education of new generations of defenders of the Homeland, and the most important - he was the real Citizen of Russia who directed all the efforts and huge talent for the benefit of the people.

I very strongly liked Krasnodar,  
and I want to go once again  
there. Also I advise to go to you  
there
