Hobbies

Boss 1:

My uncle is fond of travelling.

When I was in Rostov, I bought two beautiful stamps.

Boss 2:

She is proud of her son.

He is a famous collector of toy cars.

•Do you like to collect anything? What is it? What is the theme of your collection?

•Are you a cinemagoer? How often do you usually go to the cinema?

•Are you fond of reading? What books do you like to read?

•Do you like to travel? Where do you want to travel?

Garden.

I'm a garden. Most English people love me very much, they like to look after me, grow flowers on me, they spend much free time working among the flowers, trees and vegetables. In autumn I give them a lot of vegetables and fruit. It's so wonderful to water beautiful flowers that grow on me. You will love me forever, when you see flowers blooming and plants growing.

My hobby is ...

I'm fond of ...

I think ...

I am sure ...
