Travelling by plane	Travelling by train	Both

Travelling by plane is ... than travelling by train.
Travelling by train is as ... as travelling by plane.

I think that ...

As for me,

I believe that ...

I guess that ...

I`m not sure that ...

I don`t think that ...

I would say that ...

I travel not to go anywhere, but to go.
I travel for travel's sake.
The great affair is to move.

~Robert Louis Stevenson

So get on your bikes – get moving!
