# ENGLISH TEA

- English people like tea. It is the British national drink.
- “Tea-time” or “five-o’clock-tea” is the afternoon meal of sandwiches, cakes, sweets and tea between lunch and dinner.
- English people like to have tea at home and at work. They have “a tea-break” at 11 o’clock in the morning and at 5 o’clock in the afternoon. When at home, they invite their friends to a tea-party just to chat.
