

run

jump

swim

skate

ski

I can run, run, run.

I can run, run, run.

I can run in the park.

When it's light, when it's dark.

I can jump, jump, jump.

I can jump, jump, jump.

I can jump in the park.

When it's light, when it's dark.

I can swim, swim, swim.

I can swim, swim, swim.

I can swim in the park.

When it's light, when it's dark.

I can skate, skate, skate.

I can skate, skate, skate.

I can skate in the park.

When it's light, when it's dark.

I can ski, ski, ski.

I can ski, ski, ski.

I can ski in the park.

When it's light, when it's dark.

Good bye!
