

run

swim

skate

ski

I can run, run, run.
I can run, run, run.
I can run in the park.
When it's light, when it's dark.

I can jump, jump, jump.
I can jump, jump, jump.
I can jump in the park.
When it's light, when it's dark.

I can swim, swim, swim.
I can swim, swim, swim.
I can swim in the park.
When it's light, when it's dark.

I can skate, skate, skate.
I can skate, skate, skate.
I can skate in the park.
When it's light, when it's dark.

I can ski, ski, ski.
I can ski, ski, ski.
I can ski in the park.
When it's light, when it's dark.

Good bye!
