Global Warming

Animals in danger

**"When all the trees
and plants have gone
where will all the wild
animals live?"**

Dr Josa Depre

**Habitat fragmentation is the leading cause for
species extinction**

Animals in danger

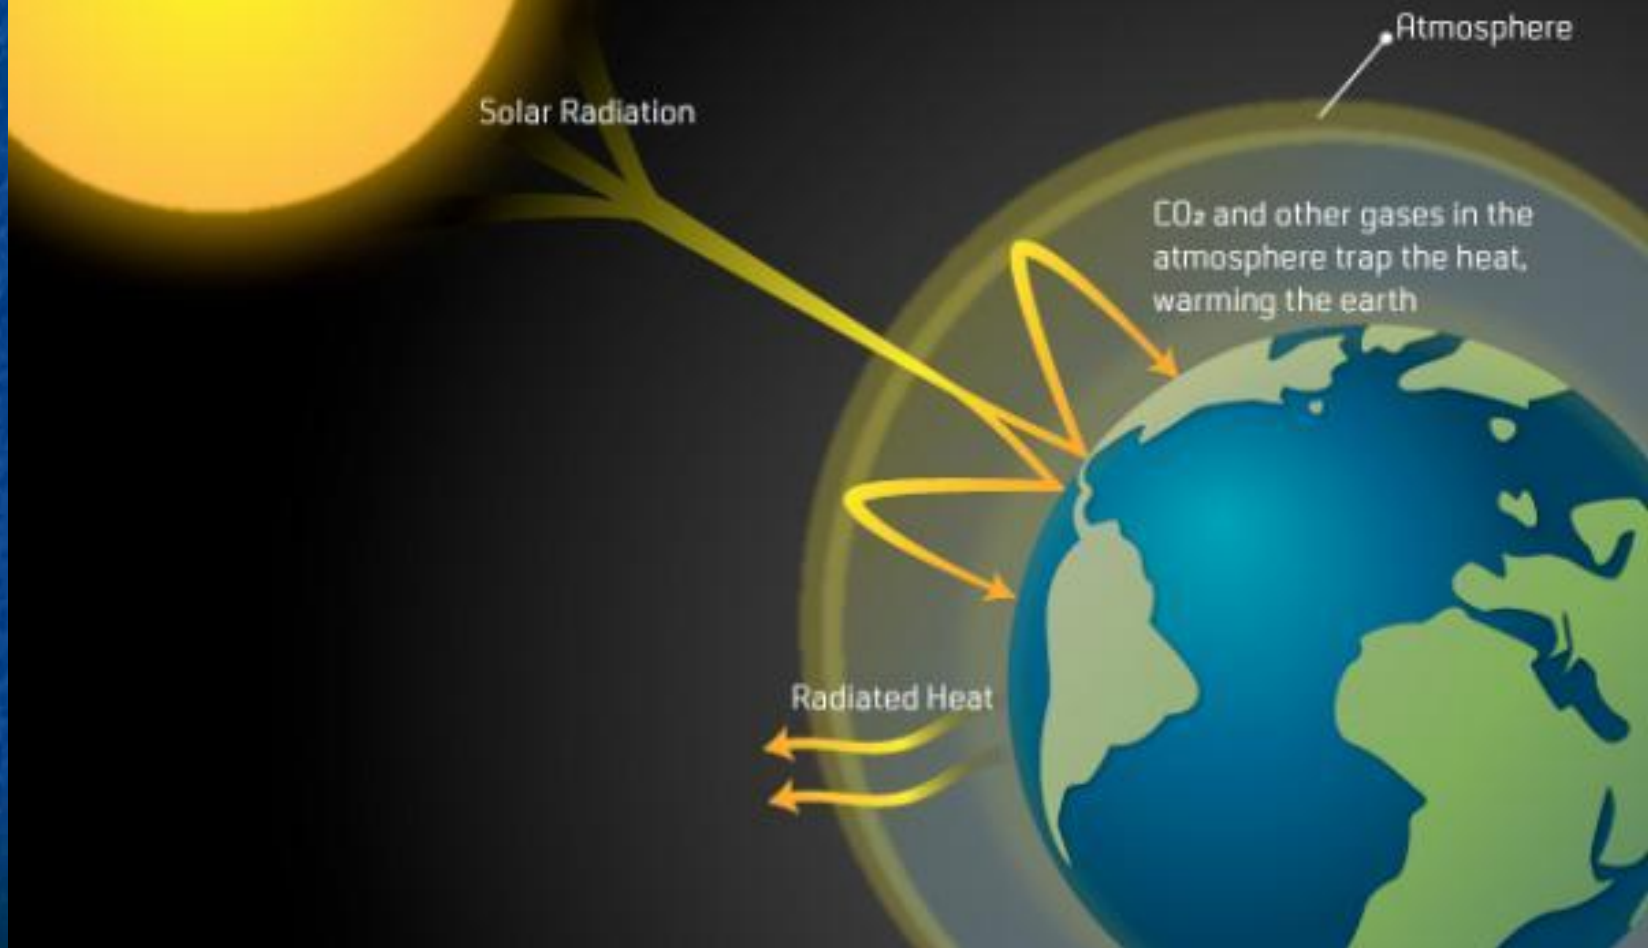

Extreme weather

Extreme weather

The Greenhouse Effect

What can we do?

<http://chindianquotes.blogspot.com>

Reduce

Reuse

Recycle

Replant

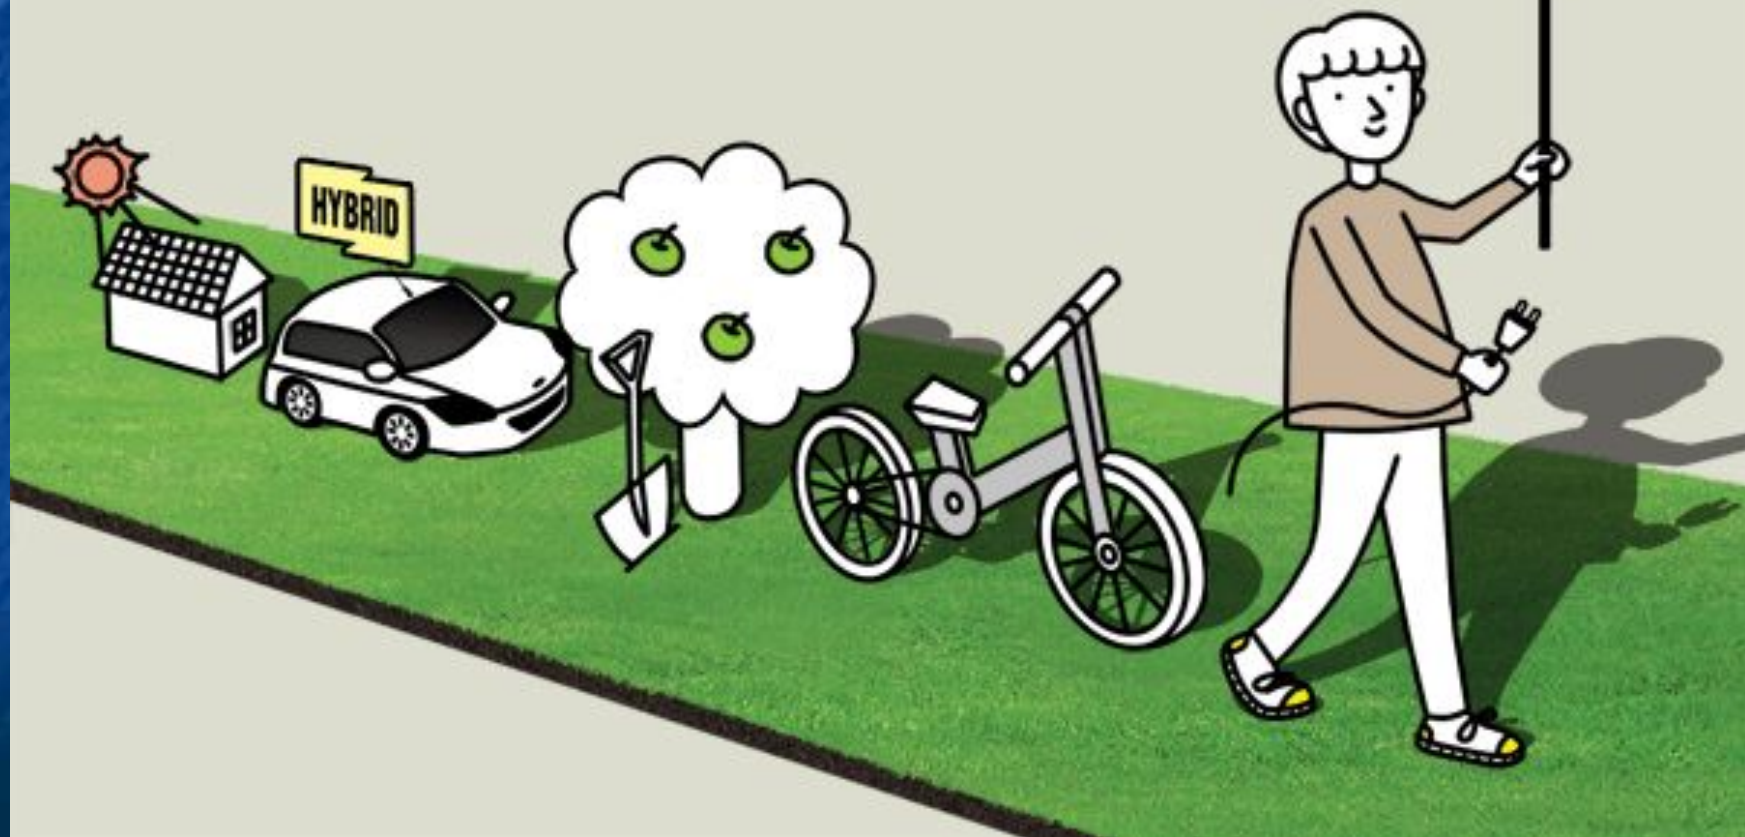

and save yourself from Global warming

Save energy, save Earth

Save Energy Save Earth

THE FIRST STEP IN REDUCING CO2 IS **WALKING.**

What should we do?

1

My students

were

2

2 adjectives

because they

3

3 verbs

For me they are

4

The definition to the 1-st word

exciting, great,
splendid, difficult,
boring, dynamic,
marvelous,
useless, unusual,
intelligent

read, wrote,
spoke, listened,
talked, sang,
danced, learnt,
found out,
recalled, trained
