global warming

I **S**cream  
not enough

**Global Warming**

# Animals in danger

**"When all the trees  
and plants have gone  
where will all the wild  
animals live?"**

Dr Josa Depre

**Habitat fragmentation is the leading cause for  
species extinction**

# Animals in danger

# Extreme weather

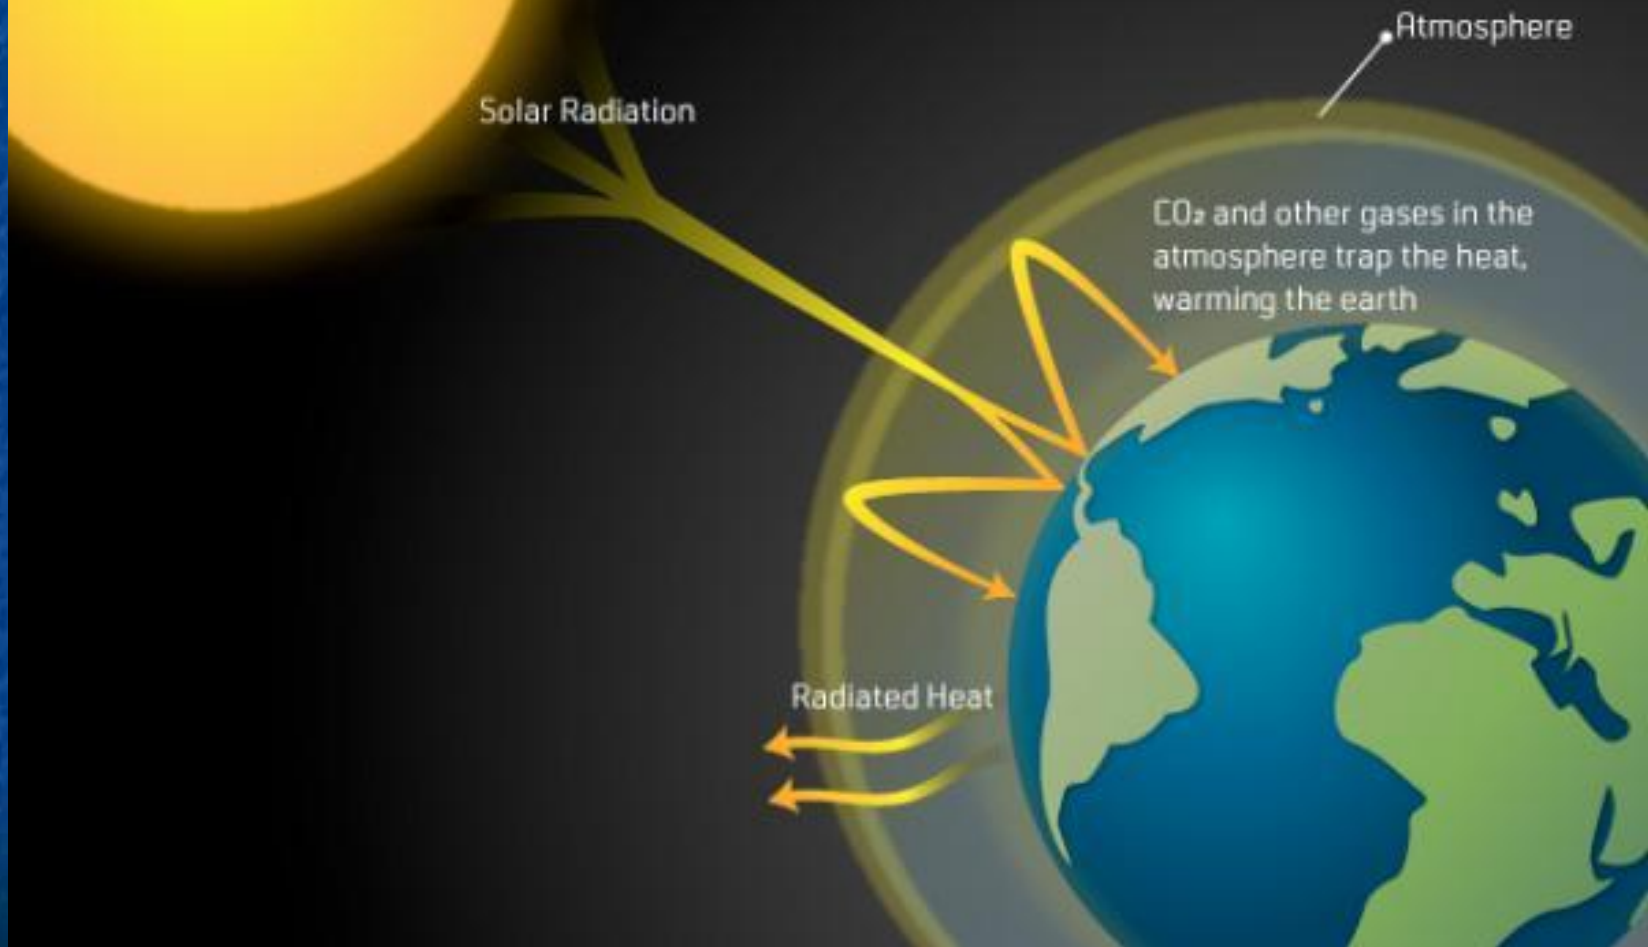

# Extreme weather

# The Greenhouse Effect

# What can we do?

<http://chindianquotes.blogspot.com>

Reduce

Reuse

Recycle

Replant

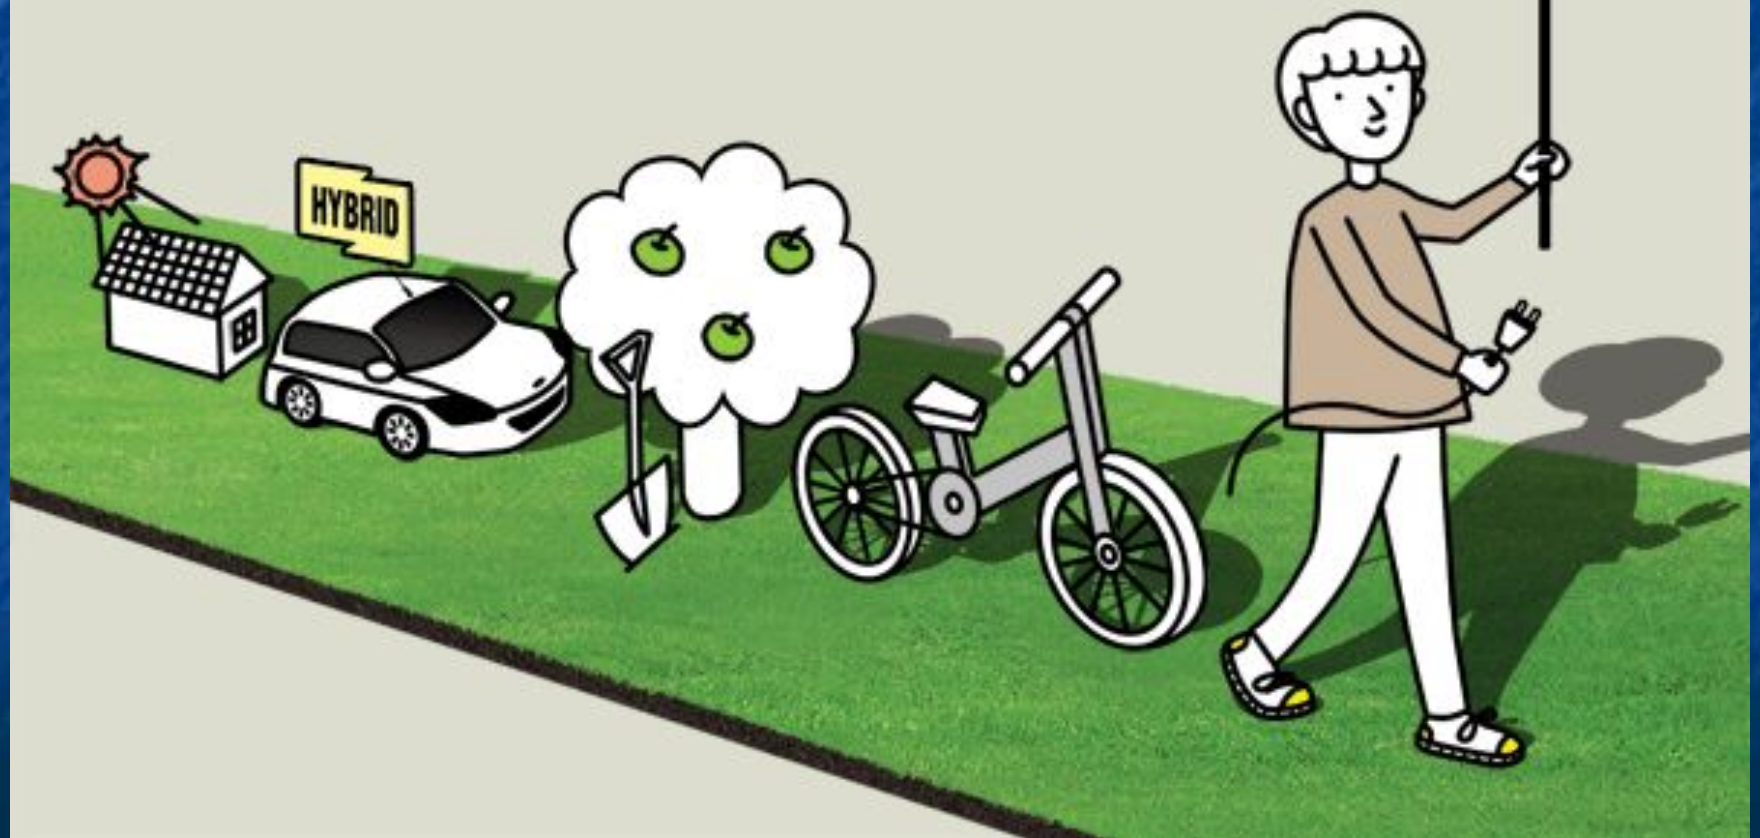

and save yourself from Global warming

# Save energy, save Earth

THE FIRST STEP IN REDUCING CO2 IS **WALKING.**

# *What should we do?*

1

**My students**

*were*

2

**2 adjectives**

*because they*

3

**3 verbs**

*For me they are*

4

**The definition to the 1-st word**

exciting, great,  
splendid, difficult,
