# Шифровальщик.

I read the text twice; you must listen  
and draw pictures on the text.

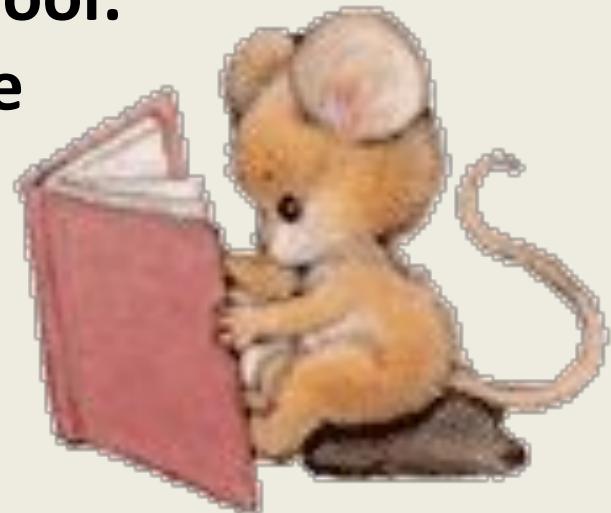

This is a yard.

There is a small house in the yard.

The house has six windows and one door.

There are two green apple trees in the  
yard.

There is a black dog under the tree.

# *Play «Food - dominoes»*

Город

Город чудный, город древний,  
Ты вместил в свои концы  
И посады, и деревни,  
И палаты, и дворцы!

Опоясан лентой пашен,  
Весь пестреешь ты в садах...  
Сколько храмов, сколько башен  
На семи твоих холмах!..
