

**Why is it important
to know English?**

What's the weather like today?

What's the weather, what's the weather,
What's the weather like today?
Is it cold or is it sunny?
Can we go outside to play?

When it's windy, when it's windy,
We go outside, we fly our kite.
The kite goes high up in the sky
And we play until it's night.

When it's snowing, when it's snowing,
We make a snowman in the snow.
We wear our coats and play together,
Until it's time to go.

When it's sunny, when it's sunny,
We wear our hats and go outside.
We play together at the park,
And have a fun time on the slide.

What's the weather, what's the weather ...

Have to

We use **have to** + base form to talk about something someone must do.

*We **have to eat** healthy food. I **had to practise** every day.*

We use subject + **did/do** + **not** + **have to** + base form to talk about something that isn't or wasn't necessary.

*I **don't have to play** every day. I **didn't have to eat** special food when I was younger.*

We make questions from **do/did** + subject + **have to** + base form. Short answers are in the same tense as the question.

*Do you **have to eat** special food? Yes, we do. / No, we don't.*

*Did you **have to work** hard to get there? Yes, I did. / No, I didn't.*
