A vibrant cartoon illustration of a savanna scene. In the center, a large white rectangular area contains the text 'Thank you!' in a bold, orange, sans-serif font. To the left, a zebra with black and white stripes and a lion with a large brown mane are standing on a yellow sand dune, both with their mouths open as if laughing or shouting. In the foreground, a giraffe with a brown and white spotted pattern and a hippopotamus are lying on the ground, also smiling. The background features palm trees and a blue sky with light clouds. A yellow, stylized border frames the entire scene.

Thank you!
