

Relax in the Caucasus!

- I like to spend my summer holidays with my grandmother and my sister by the Black Sea.

• I swam in the sea and sailed on the ship.

I was in the dolphinarium in Gelendzhik.

We lived in the sanatorium "Krasnaya Talka"

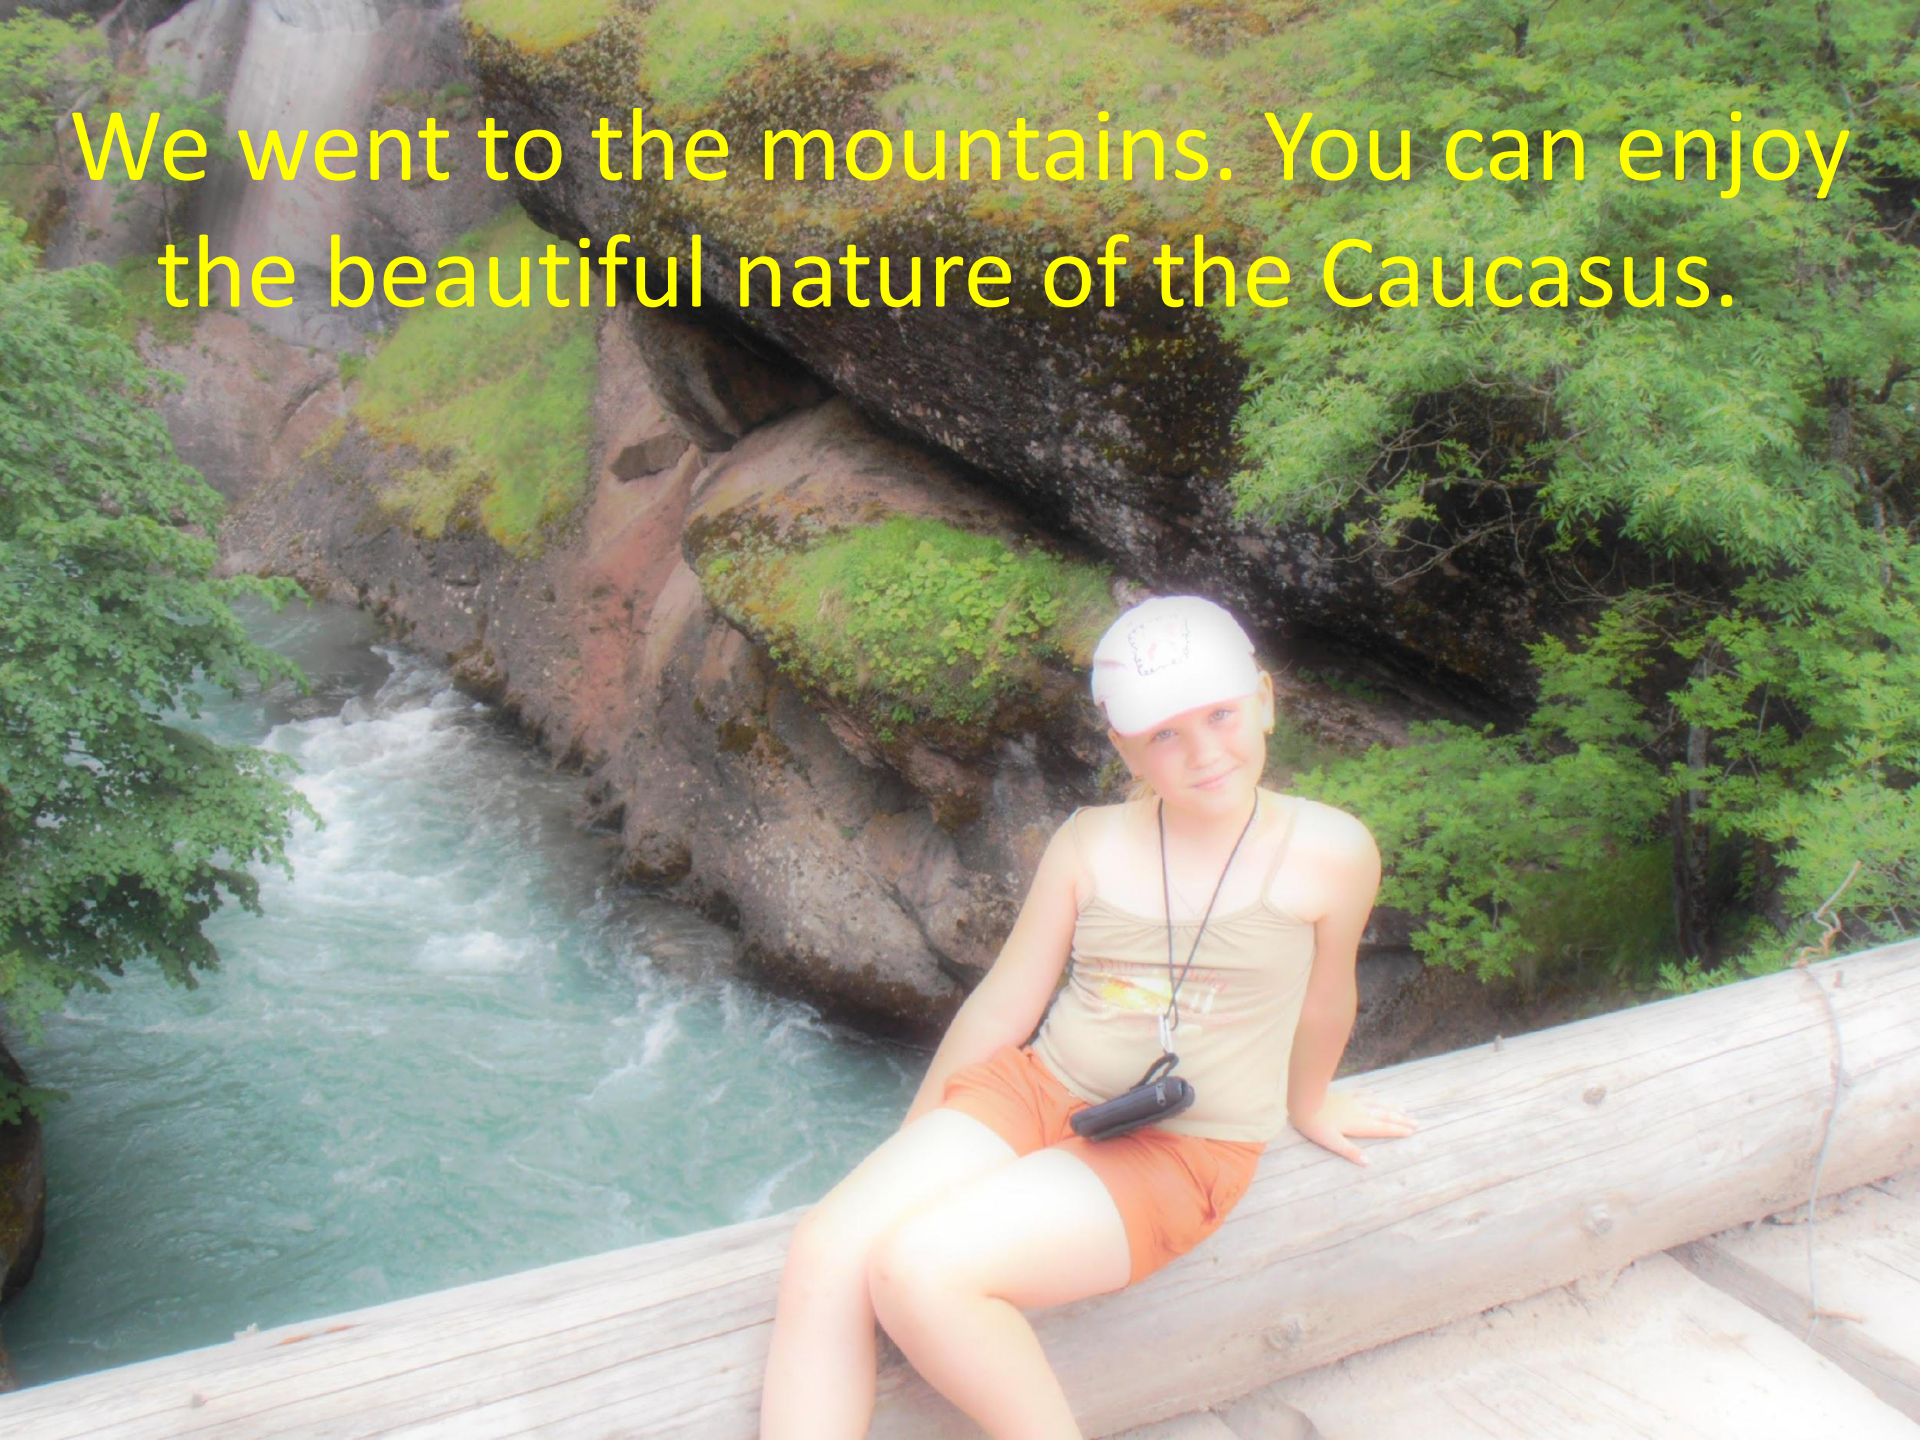

We walked around the town.

We bought and brought gifts for our friends.

We went to the mountains. You can enjoy the beautiful nature of the Caucasus.

We rode horses and quads.

We walked on the suspension bridge.

We admired the beautiful Caucasus Mountains.

The Caucasus Mountains become the centre of the Olympic Games in 2014.
