0 Foreign Languages in our life

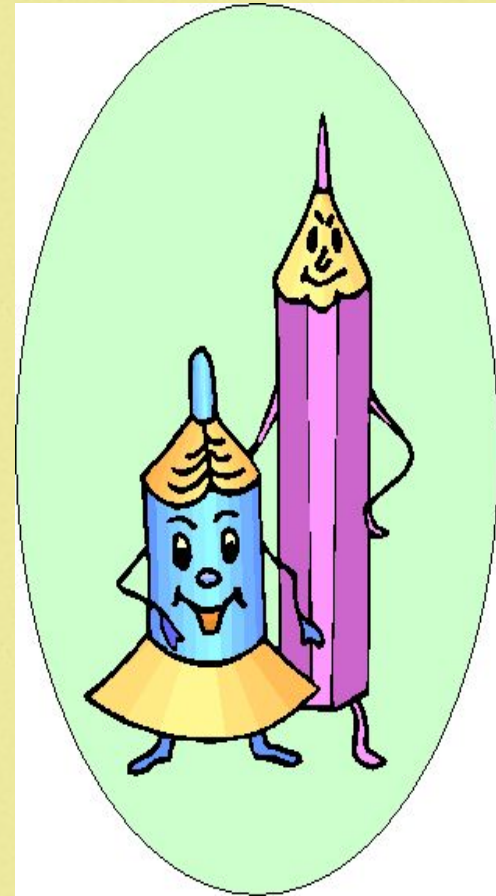

Kazakhstan is integrating into the world community and the problem of learning English for the purpose of communication is especially urgent today. Learning a foreign language is not as easy thing. It is a long and slow process that takes a lot of time and patience. But to know English is absolutely necessary for every educated person, for every good specialist. It is well known that reading books in the original, listening to the BBC news, communicating with the English speaking people will help a lot.
