

The background of the slide is filled with various grey icons depicting common accidents and injuries. These include: a person slipping on a liquid spill, a person falling down a set of stairs, a person with a question mark above their head, a person being struck by a falling object, a person tripping over a low barrier, a person falling from a ladder, a person tripping over a raised curb, a person being struck by a falling beam, a person being struck by a moving cart, and a person in a car. The central text is overlaid on a blue rectangular background.

Accidents and injuries

Twist/sprain your ankle

Faint with exhaustion

Slam a door on finger

Gash on your leg

Slip & break your arm

Scott Ableman via Flickr

Bang your head
