

There are new letter combinations and new sounds:

ay
ai

[ei
]

A diagram showing the letter combinations 'ay' and 'ai' on the left. Two thin lines originate from the right side of 'ay' and the right side of 'ai', extending towards the right and meeting at the phonetic symbol [ei]. The symbol consists of the letters 'e' and 'i' in brackets, with a vertical line below the bracket.

oy
oi

[ɔi
]

A diagram showing the letter combinations 'oy' and 'oi' on the left. Two thin lines originate from the right side of 'oy' and the right side of 'oi', extending towards the right and meeting at the phonetic symbol [ɔi]. The symbol consists of the letters 'ɔ' and 'i' in brackets, with a vertical line below the bracket.

There are some new words for you:

- ▣ Snail
- ▣ Tail
- ▣ Train
- ▣ Coins
- ▣ Pointer
