A silver sports car is parked on a rocky shore at sunset. The car is viewed from a front-quarter perspective. The scene is illuminated by the warm, golden light of the setting sun, which creates a strong highlight on the right side of the car's body. The background shows a rocky coastline with waves crashing against the rocks under a hazy, orange sky. Two white labels with black text are overlaid on the image. The label 'tire/tyre' is positioned above the front wheel, with a thin white arrow pointing from the text to the tire. The label 'brake' is positioned below the front wheel, with a thin white arrow pointing from the text to the brake disc.
