What is Irba for me

- It is a place where I was born, where I live.
- It is a place where my parents live
- It is a place where my friends live
- It means a place for me where I feel well

Irba is situated in South of Krasnojarsk Region

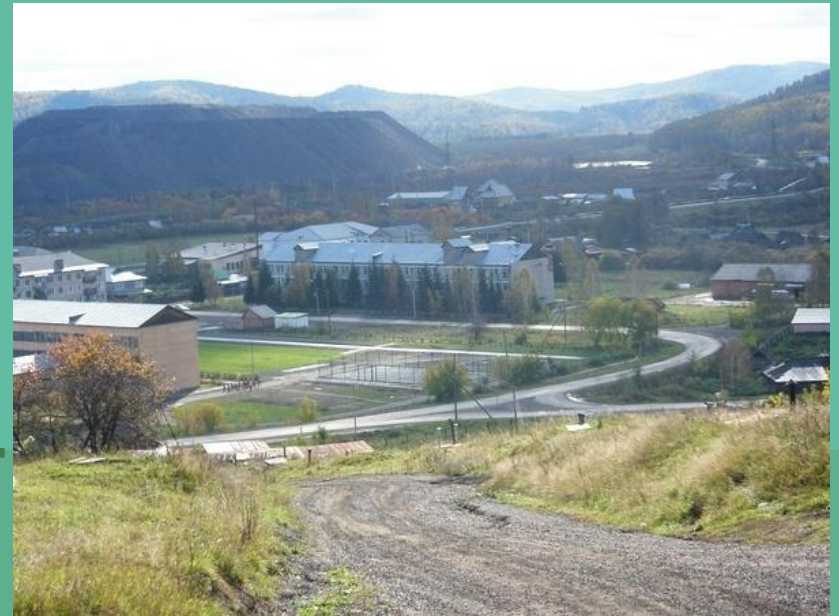

The Emblem of Irba

- On the gold shield is a bucket with metal.
- The Emblem appeared in 2004.
- The Author is Juri Kalinkin. He is a famous person of Irba.

From the history

- Irba was founded in 1937.
- The word “Irba” came from tuvinien language. It has the tuvinien origin “irik basch” , it means “гнилой верх-rotten top”

Irba mine

- 1972 - Irba mine was opened
- 1974 – the first ore was mined

Places of interest

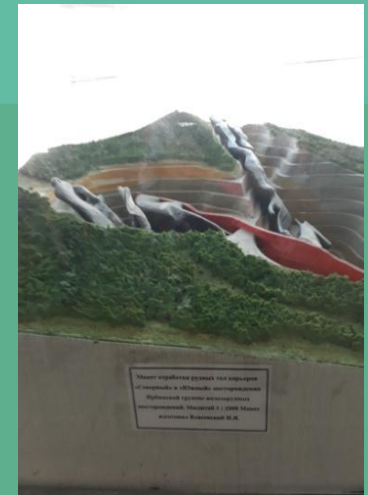

- You can enjoy a Church
- It was opened in 2004.
- A lot of people visit this church during Christian holidays. I visit this Church at Easter

We are proud of our mining-and-geological Museum

The pupil of musical school.
The winner of different
musical competitions

Our school is center of education

Nature in Irba

- The nature is nice, with wonderful and impressive landscapes.

We love our Motherland

Для России наш
посёлок - частица
А для нас он -
родительский дом
И мы рады , что
можем гордиться
Малой Родиной, где
мы живём

I greatly love my
country,
It's forests, fields and
lakes,
It's children, kind and
friendly people,
It's rivers, streets and
plains.

Welcome to
Irba!
