

A vibrant, cartoon-style illustration of a village. In the foreground, there are rolling green hills with white daisies. To the left, two stylized trees with pink and blue foliage stand on a hill. In the center, a white picket fence runs across the scene. On the right, a cluster of colorful houses is visible, including a tall tower with a pink, spiky roof and a house with a green roof and white flowers. A large, multi-colored rainbow arches over the houses. The sky is bright yellow with a large sun and several small, colorful dots.
