- 5) Who do they commemorate?

Give your ideas to my statements:

- The sights (landmarks) are "the visiting cards" of Donetsk.
- The sights have their historical and cultural value.
- The sights play a great role in the life of every person

Home assignment:

Collect information about a place in Donetsk you like the best (railway station, airport, parks, multi-storeyed buildings, business centres, skating-rinks, resting places).

Then write a tourist guide section of about 80-100 words about the way this place will look like in future.

Bring computer projects and drawings.
