5 roubles for adults and 3 roubles for children

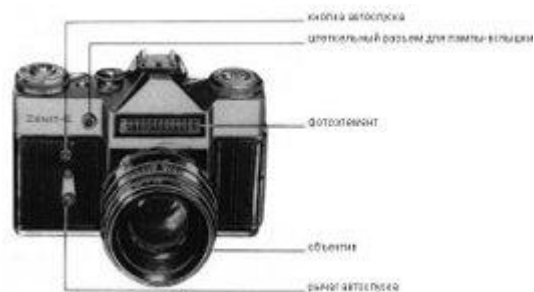

Part 3 (The Museum of the History of Belarusian Cinematography)

The Museum of Belarusian Cinematography is one of the youngest museums in Belarus, although it has almost thirty years history. It was founded in Minsk in 1966 due to Belarusian cinematographers initiative (in connection with the 40th anniversary of releasing the first national film " A Forest Tale ") as a branch institution at the National Film Studio "BELARUSFILM" . Its main task is to collect and preserve materials concerning national cinematography and popularize its achievements.

Part 3.1 (The Museum of the History of Belarusian Cinematography)

The museum is a home to a huge collection of old and new cameras and camcoders,

Part 3.2 (The Museum of the History of Belarusian Cinematography)
