Foreign radiostations

TIMOFFEYEV U.A.

BBC World Service

- The **British Broadcasting Corporation (BBC)** is a British public service broadcaster. Its headquarters are at Broadcasting House in Westminster, London, and it is the world's oldest national broadcasting organization and the largest broadcaster in the world by number of employees. It employs over 20,950 staff in total, 16,672 of whom are in public sector broadcasting. The total number of staff is 35,402 when part-time, flexible, and fixed-contract staff are included.

Voice of America

- **Voice of America (VOA)** is a U.S. government-funded international multimedia agency which serves as the United States federal government's official institution for non-military, external broadcasting, the largest U.S. international broadcaster. VOA produces digital, TV, and radio content in more than 40 languages which it distributes to affiliate stations around the globe. It is primarily viewed by foreign audiences, so VOA programming has an influence on public opinion abroad regarding the United States and its leaders.

Radio Free Asia

- **Radio Free Asia (RFA)** is a private, nonprofit international broadcasting corporation that broadcasts and publishes online news, information, and commentary to readers and listeners in East Asia. Its self-stated mission is "to provide accurate and timely news and information to Asian countries whose governments prohibit access to a free press."

Radio Romania International

- **Radio România Internațional** (Romanian: *Radio România Internațional*, or *RRI*) is a Romanian radio station owned by the Romanian public radio broadcaster Societatea Română de Radiodifuziune (SRR, the national public radio in Romania) that broadcasts abroad. Prior to 1989, the station was known as Radio Bucharest.

Radio Free Europe/Radio Liberty

- **Radio Free Europe/Radio Liberty (RFE/RL)** is a United States government-funded organization that broadcasts and reports news, information and analysis to countries in Easter Europe, Central Asia and the Middle East where it says that "the free flow of information is either banned by government authorities or not fully developed". RFE/RL is a 501(c)(3) corporation supervised by the U.S. Agency for Globa Media, an agency overseeing all U.S. federal government international broadcasting services.

Voice of Turkey

- **Voice of Turkey** (Turkish: *Türkiye'nin Sesi Radyosu*) is the international service of Turkish state radio on shortwave, Turksat 3A satellite and the Internet. All the broadcasts are transmitted from single site near Emirler.

China Radio International

- **China Radio International (CRI)** is a state-owned international radio broadcaster of the People's Republic of China. It is currently headquartered in Babaoshan area of Beijing's Shijingshan District. It was founded on December 3, 1941, as **Radio Peking**. It later adopted the pinyin form **Radio Beijing**. CRI also publishes online dailies called **Beijing News** and **Beijing International**.

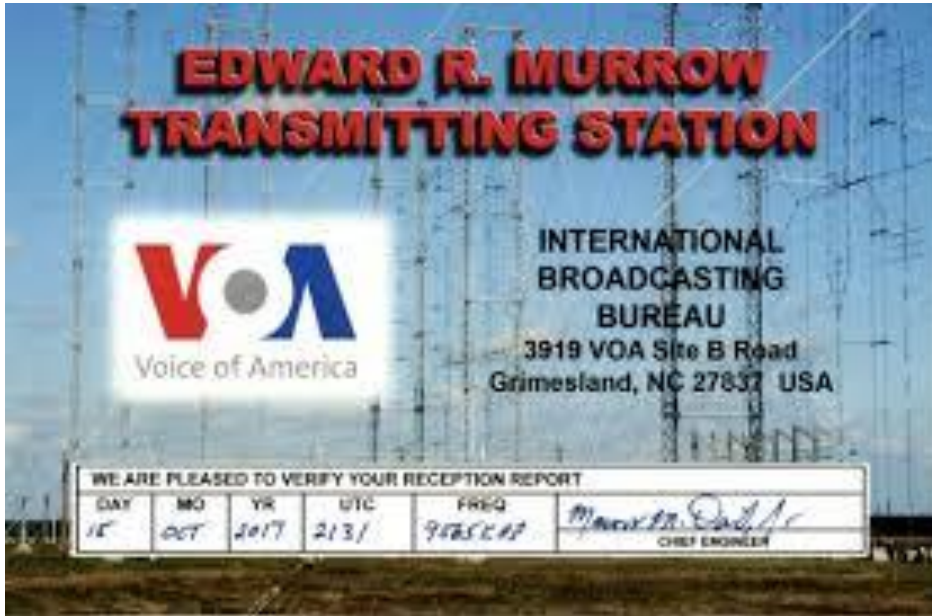

Radio Taiwan International

中央廣播電臺
Radio Taiwan International

- **Radio Taiwan International** (RTI; Chinese: 中央廣播電台; pinyin: *Zhōngyāng Guǎngbō Diàntái*) is the English name and call sign of the international radio service, the **Central Broadcasting System** (CBS) of the Republic of China, commonly known as Taiwan. It is a government-owned station that broadcasts in 13 languages around the world, with a majority emphasis on Mandarin-language broadcasts over shortwave into China.
