What's your hobby?

What do you like to do most of all?

How do you spend your free time?

Where can you find some information you need?

What do we usually use, when we want to print something?

computers and some problems with them

Adrian has got a problem with…………… computer
His computer keeps…………………….......crashing
It seems that the cursor…..………………....stick at the same place
Paul suggests switching………………..… off and on
Adrian will do…………………………….. full scan with his anti-virus software
Paul thinks that the cause of the problem….is a virus

Jingle bells, jingle bells,
Jingle all the way!
Oh what fun it is to ride
In a one-horse open sleigh

A: **Can you give me a hand with my computer?**
B: **a. Sure, what's the problem?**
b. There's no problem.
A: **Let me take a look at that printer problem for you.**
B: **a. You're welcome.**
b. That's really kind of you.
A: **Would you like me to fix that for you?**
B: **a. Thanks, but I think I can manage.**
b. I don't think so.
A: **Would you help me sort this problem out, please?**
B: **a. Sure, why not?**
b. I'm fine, thanks.

homework

And now we must think about our homework to the next lesson. You must **make a dialogue** which helps you to find a solution to this problem – **your computer is too slow.** You may use your writings. How do you know this solution?

Thank you for the lesson!

Did you enjoy the lesson?
