**Well, do you have friends? Are they your classmates? What do you do when you get together?**

**Sorry, I have to help my sister with her homework. I'm looking forward to your answer.**

**Thank you for your letter very much! I was happy to get it! I am sorry I haven't written for so long because I was preparing for my tests.**

**In your letter you asked me about my best friend. My best friend's name is Jack. He is honest and can keep secrets. We often have fun together. I can always turn to him for help if I have got a problem. Sometimes we fall out over silly things but we make up quickly. There are a lot of things that we both like – music, shopping and playing computer games.**
