Dear Miguel,

Hi! I'm Bill Phelps and I'm thirteen years old. I'm from Sydney, Australia. Here is a photo of my family and our relatives.

My parents' names are Sue and Sam. My dad is short with dark hair. My mum is tall with short, fair hair. I haven't got a brother but I've got two sisters. They're twins. Their names are Kim and Kate and they're eight years old. Mike is my father's brother. He's a doctor and he's married to Janet. They've got two children, Johnny and Gill. Tom and Beth are my grandparents. They are in their late sixties.

Well, that's all about me and my family. Please write soon and tell me about your family. Send a picture, too.

Bye for now,

Bill

# *Game*

**This is a family  
Let's count them and see,  
How many there are,  
And who they can be  
This is the mother  
Who loves everyone  
And this is the father  
Who is lots of fun.  
This is my sister  
She helps and she plays,  
And this is the baby  
He's growing each day.  
But who is this one?  
He's out there alone,  
Why it's Jackie, the dog,  
And he's chewing a bone.**

Генеалогия в переводе с греческого – родословная. Расскажет о твоих близких и самых-самых дальних родственниках.

Мама и папа! Впишите имена моих родственников.

# My Mother's face

I know a face-  
A lovely face  
As full of beauty as of grace?  
In darkness it gives a light.  
A face that is itself like joy,  
To see it I'm a happy girl.  
And I have a joy that have no  
other.  
This lovely woman is my mother!

# Help your Mother!

Help your mother,  
lay the table;  
Put a knife and fork and spoon.  
Help your mother, lay the table  
Every afternoon.  
Help your mother, clean the table  
Take a knife and fork and spoon.  
Help your mother, clean the table  
Morning, night and afternoon.

# The tree of our lesson

Every tree has it's leaves.

You have got green and yellow leaves in front of you.

Green means - Everything is OK. It's easy for me.

Red - I have some problem. I need help.
