

EDUCATION.
Generation M.

“The roots of education are bitter, but the fruit is sweet.”

-Aristotle

“Education is the most powerful weapon we can use to change the world.”

on Mandela

A child without education, is like a bird without wings.
~Tibetan proverb

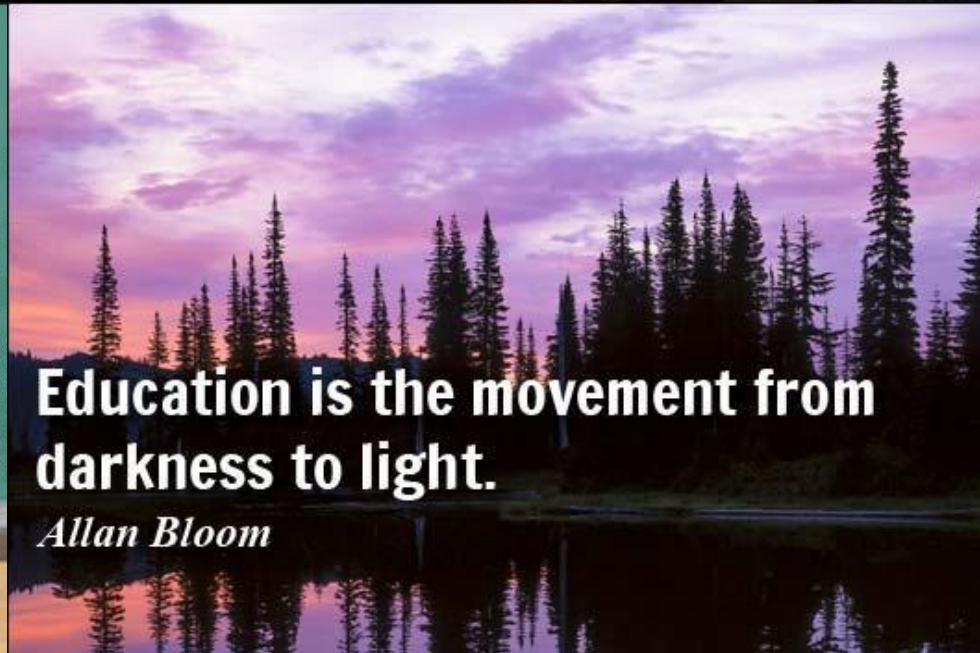

Education is what remains after one has forgotten everything he learned in school.

--Albert Einstein

Education is the movement from darkness to light.

Allan Bloom

By the end of the lesson you will be able:

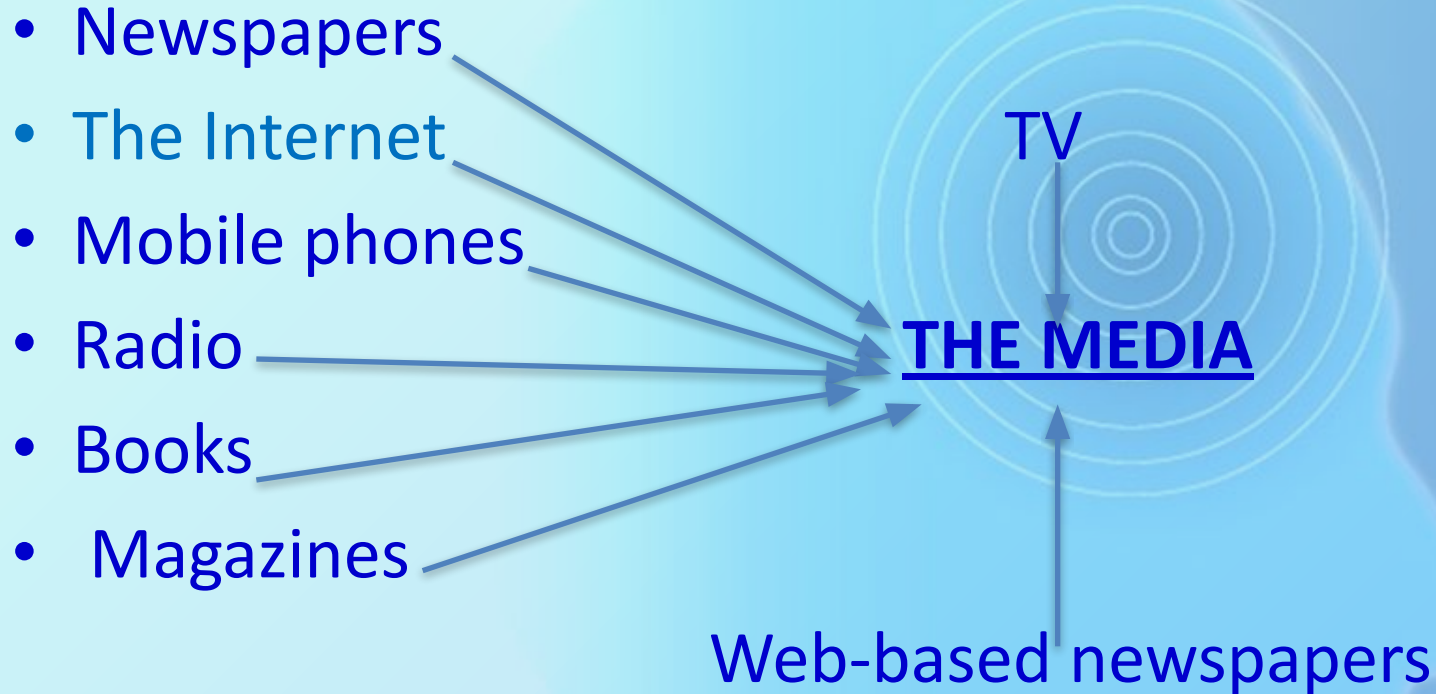

- to recognize, understand the words, word-combinations when reading the text;
- to identify the concept “Generation M”;
- to tell about the role of mass media in the process of education;
- to develop your discussion skills;
- to activate your background knowledge of the topic;
- to improve your confidence as readers;
- to enjoy our being together.

Education

- the process of teaching
the process of teaching or learning
the process of teaching or learning, especially
the process of teaching or learning, especially in
a school
the process of teaching or learning
a school or college
the process of
teaching or learning, especially in a school
or the knowledge that you get from

Mind-Map

Say which of the mass media are

- *The most useful*
- *The easiest to use*
- *The most expensive*
- *The most modern*
- *The most interesting*
- *The most convenient*
- *The safest*
- *The cheapest*

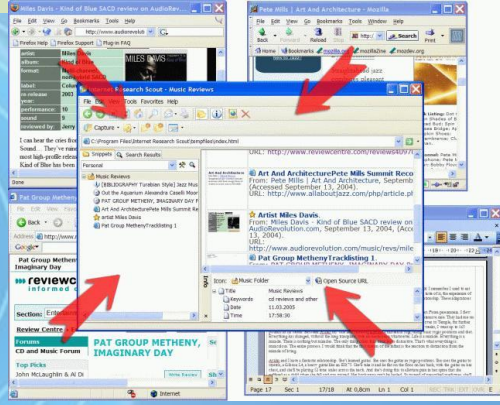

Give your reasons: *I think newspapers are the most convenient mass media. It is broken to my home every day/ I can get a lot of useful information from newspapers.*
