**Dear pen-friends,**

**My name is Dima. I am 10 . I travelled a lot this summer. In August I went abroad. I spent two weeks in Scotland at Summer School. It was a big new school. There were a lot of classrooms there. The classrooms were large and light. Would you like to know what we did there?**

**In the morning we spent 3 hours learning English. At the lessons we read and discussed texts, learned English poems by heart , played games, asked and answered questions, learned new words and played computer games. But we didn't speak Russian because my teacher didn't speak Russian. We also learned about English History.**

**Now I speak English much better. I made a lot of friends in Scotland.**

**I hope you will write a letter to me and tell about your school.**

**Your pen-friend, Dima.**
