Sundays are happy days for Alice.

- Alice favorite day is Sunday. She **gets up** at ten o'clock. **In** the morning, she **has** breakfast, then she **goes** to the shop. Then **at** two o'clock she has lunch with her family.

In the afternoon Alice likes to **go for a walk** with her two dogs. Look, she is in the park. The boys **are** playing football now. Jill is **riding** a bike and Ken is **flying** a kite.

In the evening she **reads** books, plays games. Then at 10 o'clock, Alice goes **to bed**. Sundays are happy days for Alice.

Say YES or NO:

1. Alice goes for a walk at two o'clock.

2. Jill is playing football.

**Use words:
often,
usually,
then,
like**

Your homework

1. Bring your family's photos and tell what you and your family are doing.

Or 2. Write, what your family does: in summer, or on holiday (at the weekend, on Monday and on these photos).

Good luck
