noise
and pollution

shops,
cinemas, theatres

peace and quiet

fresh air

high rate of
unemployment

landscapes

friendly people

READ THE FOLLOWING STATEMENTS AND EXPRESS YOUR OPINION, USING

For agreement	For disagreement
I think / believe / suppose	I can't agree with you here
In my opinion	As for me I am sure that...
As far as I know/understand	I'm afraid you're mistaken

Sts. Have these table on the tables

EXPRESS YOUR OPINION:

1. Life in a big city has got lots of disadvantages.

4. It is very difficult to find friends in a big city.

2. Young people prefer to live in big cities.

5. Nothing is going on in a big city.

3. Life in big cities is much more passive.

6. The entertainment is non-stop in a big city all year round.

7. Rural life is more preferable
8. Lots of people are trying to
because everybody knows each
change the city life for the life in
other.
the village.

10. It's dangerous to live in a big city
nowadays as the crime rate is
9. It's difficult to find a good job in a
constantly increasing
big city.

Six thinking hats

The White Hat – for facts. “The facts, just the facts.”

The Red Hat – feelings and emotions.

The Black Hat – disadvantages.

The Yellow Hat – advantages.

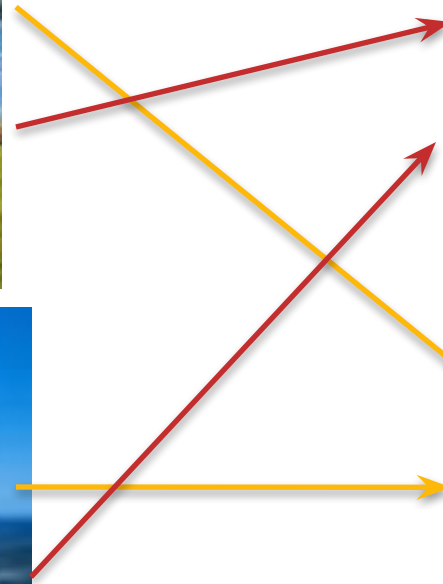

The Green Hat – changes (creative work).

The Blue Hat - generalization, general conclusion.

Read the text and say about living in a big city and in a village

City and country living
