*UNITED KINGDOM OF GREAT BRITAIN
AND NORTHERN IRELAND*

*Member of the
EUROPEAN UNION*

The land and the
people of the
United Kingdom
of Great Britain
and Northern
Ireland

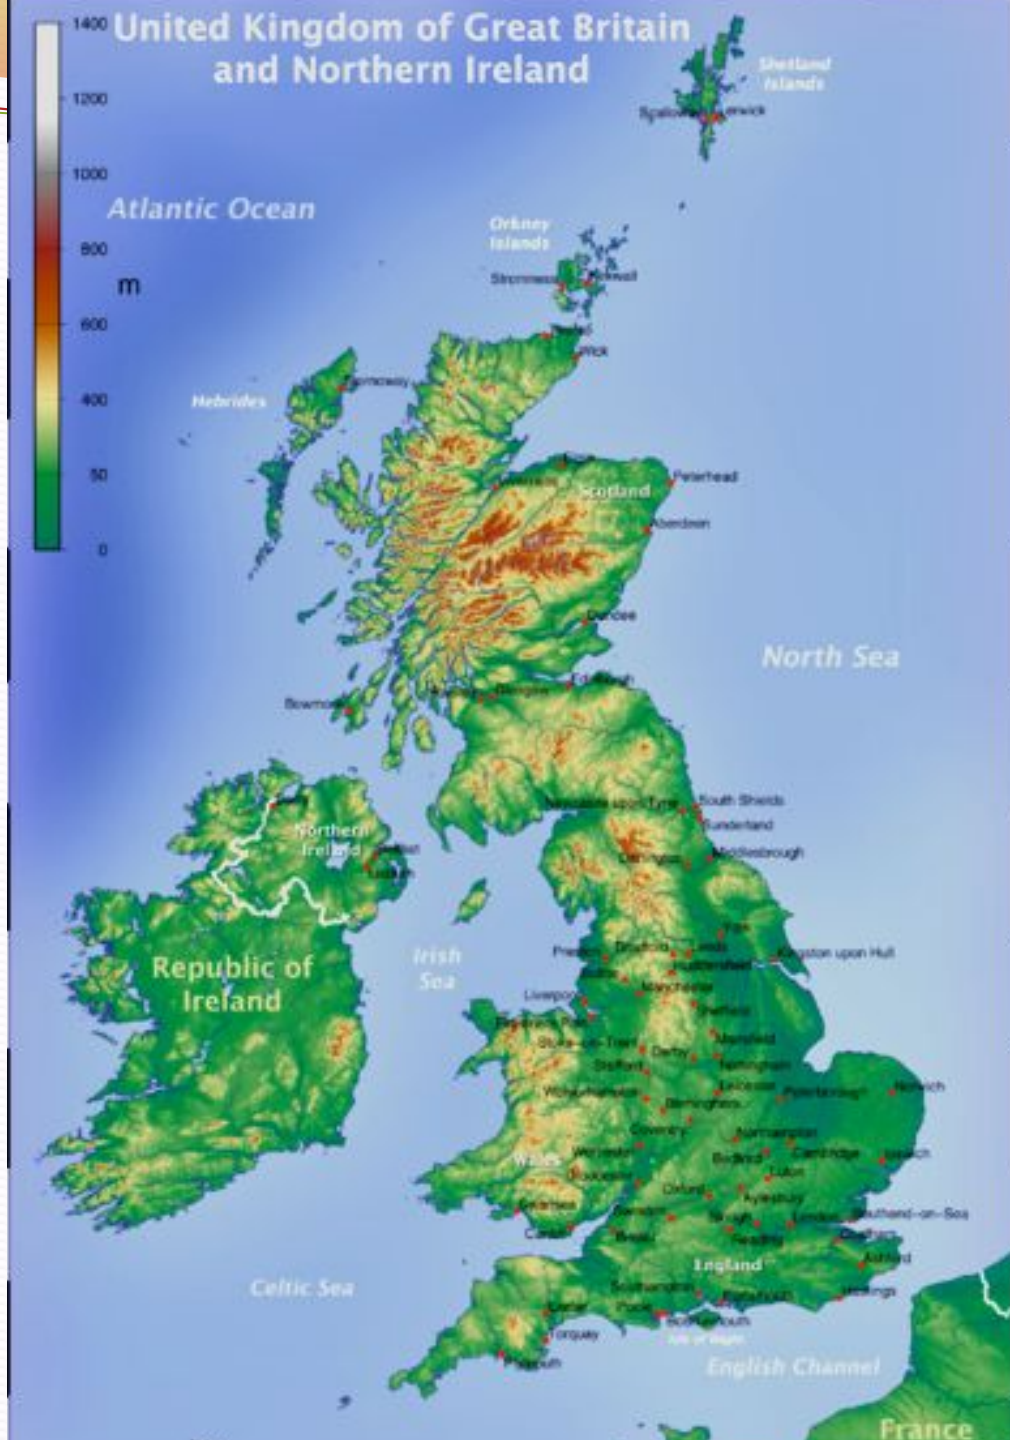

History and geography

The United Kingdom of Great Britain and Northern Ireland (the UK) is the official name of the state which is situated on the British Isles.

The British Isles is a group of islands off the north-western coast of Europe.

Great Britain is often the same as Britain and refers only to Scotland, England and Wales which are situated on the island of Great Britain.

**They used to be
different countries
before they became
united and got the
name of the United
Kingdom**

Map of England within the United Kingdom

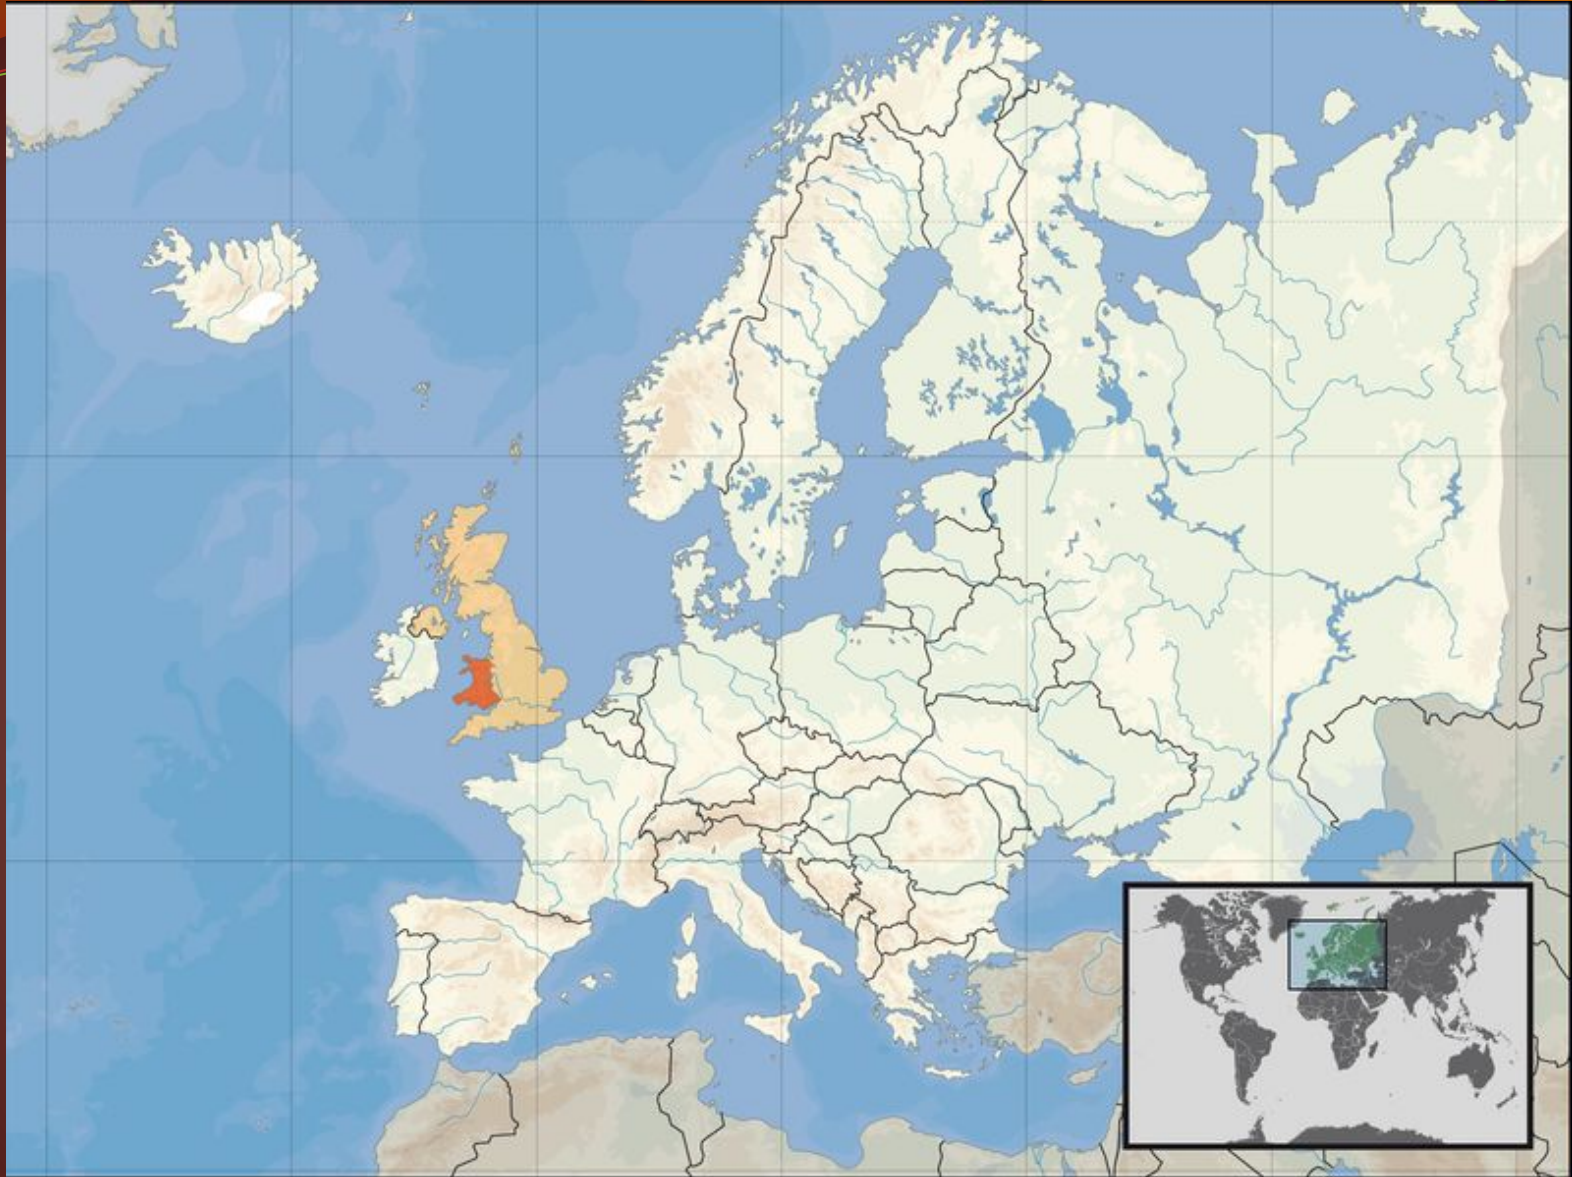

England is the largest area within the United Kingdom. (see the map) Most of England comprises the central and southern part of the island of Great Britain in the North Atlantic. The country also includes over 100 smaller islands such as the Isles of Scilly and the Isle of Wight.

Location of Scotland within the United Kingdom and in the European continent

Scotland is part of the United Kingdom occupying the northern third of the island of Great Britain. It borders on England in the south and is washed by the North Sea in the east, the Atlantic Ocean in the north and west, and the North Channel and Irish Sea in the southwest.

Location of Wales in Europe

The population of Wales comes up to three million people and its total area is 20,8 thousand square kilometers.

**Location of Northern Ireland
within the United Kingdom and
in the European continent**

**Northern Ireland is situated
in the north-east of the island
of Ireland;**

If you look at the map of Europe, you will see that Great Britain is not large. The territory of the UK is 244 820 km², it takes the 22nd place among all states. Its population is 61,6 million people.
