MOSCOW

Moscow - capital of Russian Federation, city of federal meaning(importance), subject of Russian Federation, centre of the Central federal district and Moscow area, city - hero.

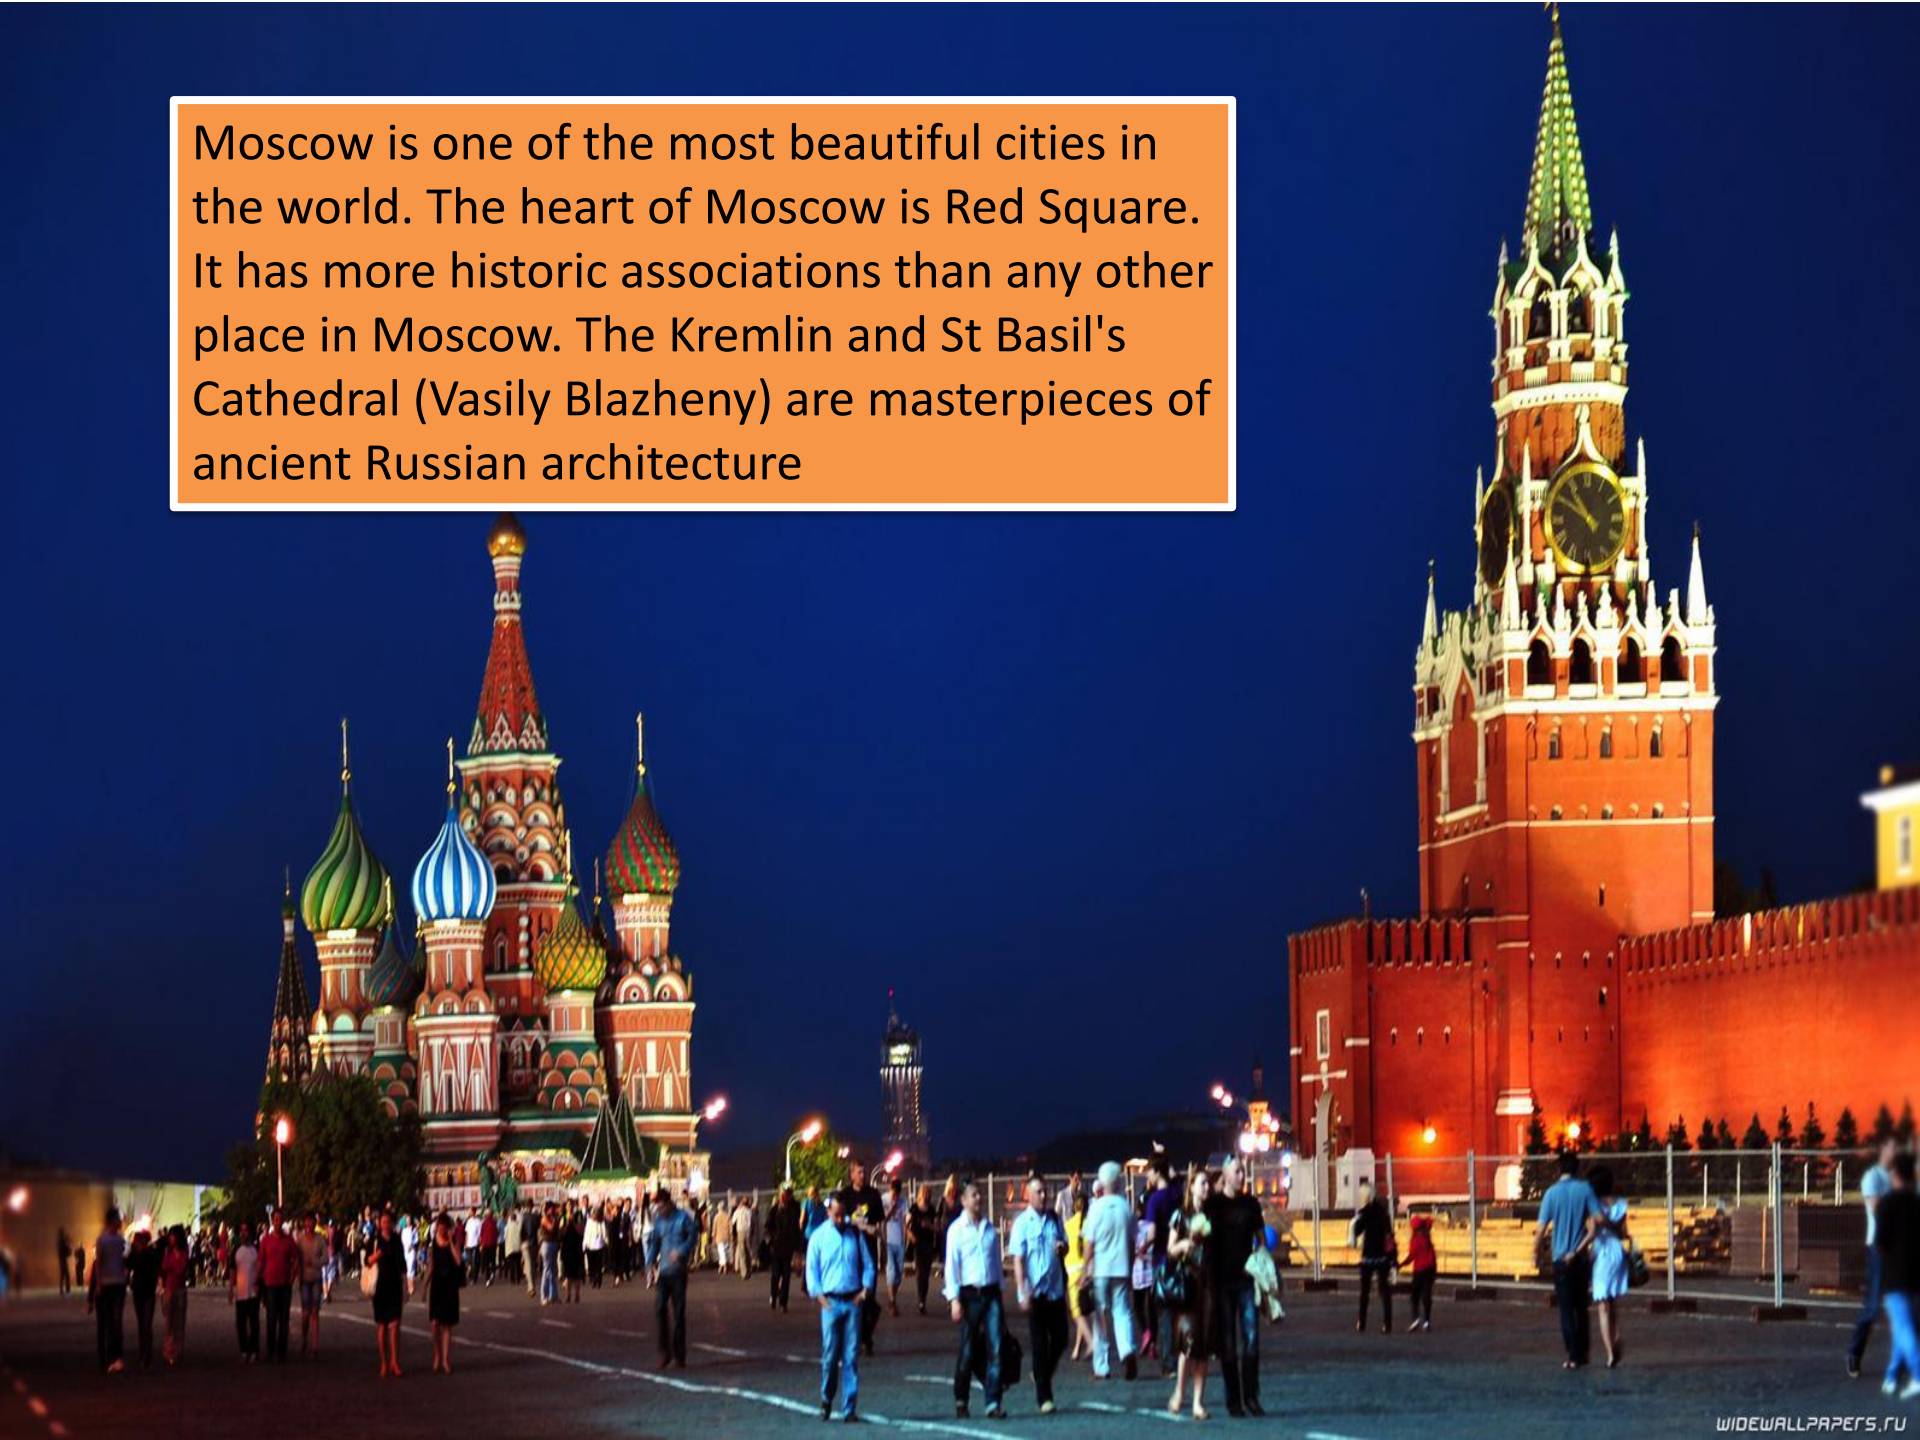

The largest city, major transport unit, and also political, economic, cultural and centre of science of the country.

Moscow - ancient and eternally young city always played a conducting role in development of culture, city of the world famous monuments of architecture, city of new modern highways and areas. In Moscow lived and many most outstanding political figures and figures of the literature, art, science and engineering worked.

Moscow - city of museums and theatres, libraries and sports structures, which doors are widely open for muscovites and visitors of capital.

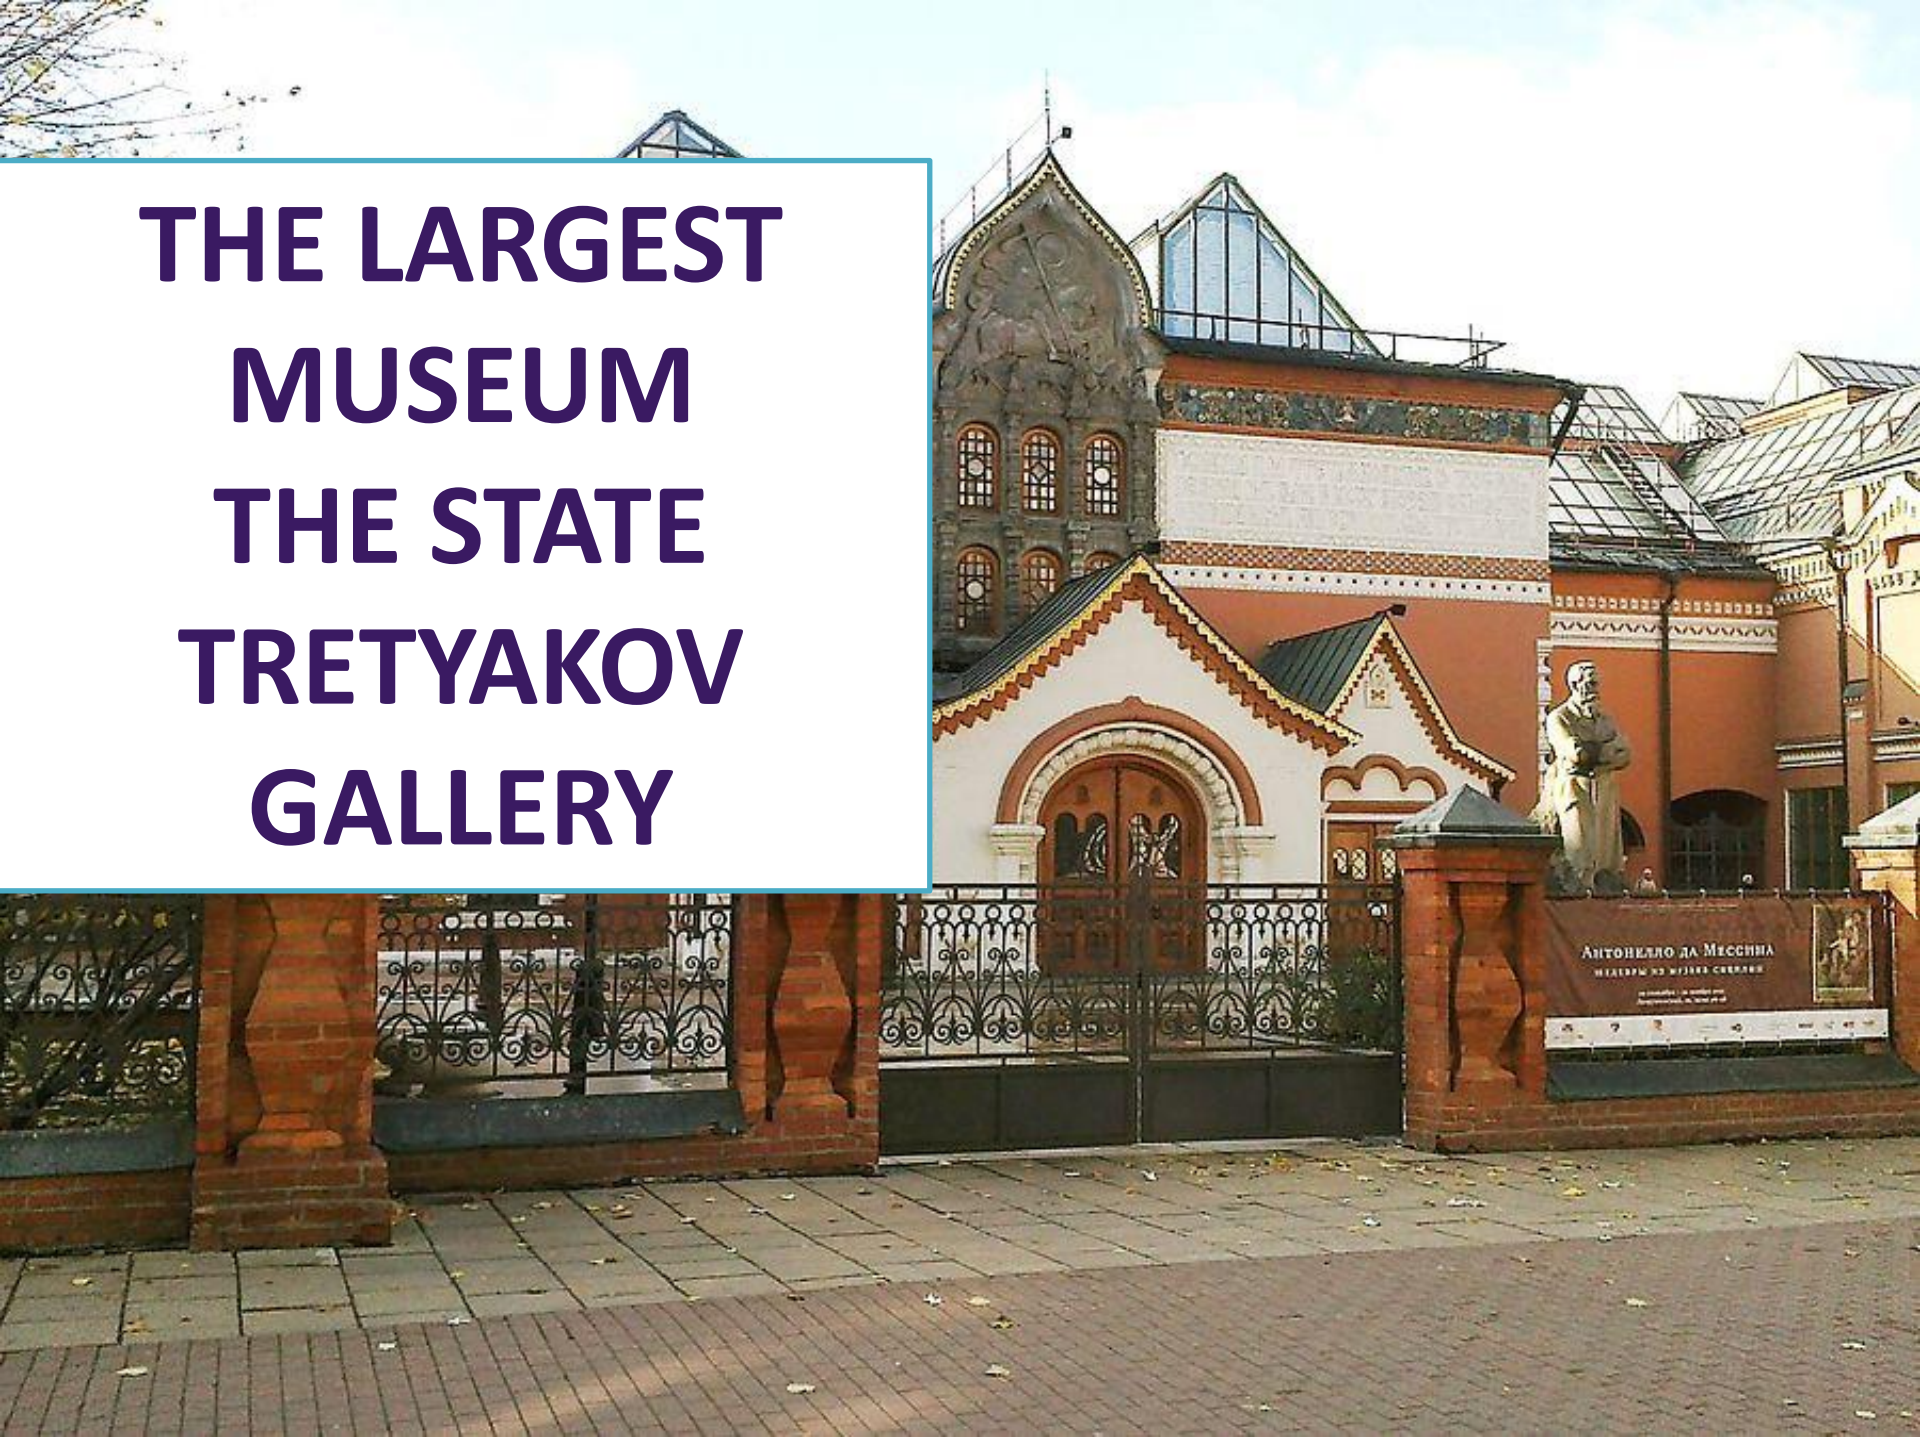

Moscow is one of the most beautiful cities in the world. The heart of Moscow is Red Square. It has more historic associations than any other place in Moscow. The Kremlin and St Basil's Cathedral (Vasily Blazheny) are masterpieces of ancient Russian architecture

Moscow is a city of students. There are over 100 higher educational institutions in it. Moscow is the seat of the Russian Parliament (the Duma) and the centre of political life of the country.

THE LARGEST MUSEUM THE STATE TRETYAKOV GALLERY

The most famous one is the Bolshoi Opera House which has survived two fires but Drama theatres and studios are also very popular with visitors. So, Moscow is very attractive for tourists and especially foreigners.

In addition Moscow is a political and economic center. There are a lot of manufactures and plans there.

FOUR AIRPORTS LINK THE CAPITAL WITH THE OTHER PARTS OF THE COUNTRY AND WITH CITIES OF THE OUTSIDE WORLD

Moscow is the port of five seas

Moscow has a well-developed traffic infrastructure and public system of transportation including busses, trolleybuses, streetcars, fixed-route taxis and subway. Moscow is the center of national railway network. Moscow is also a big river port and a center of the national airline network.

Stadiums in Moscow

- There are many stadiums in Moscow. The Central Stadium is in Luzhniki. Many competitions and football matches are held there.

The Olympic village

- The Olympic village was built for the 22nd Olympic Games in Moscow in 1980. It is a big complex for sport games.

The City, and the Country

The Country and the City

Some people live in the city
Where the houses are very tall.
Some people live in the country
Where the houses are very small.
But in the country where the houses are small,
The gardens are very big.
And in the cities where the houses are tall
There are no gardens at all.

The Russian flag, consisting of three horizontal stripes of white, blue, and red, is shown waving on a flagpole against a bright blue sky with scattered white clouds. The flagpole is visible on the left side of the frame.

The most famous one is the Bolshoi Opera House which has survived two fires but Drama theatres and studios are also very popular with visitors. So, Moscow is very attractive for tourists and especially foreigners.

GOOD LUCK
