

Presentation of the Russian resort
Anapa

Anapa is the most popular resort in Russia. Thousands of tourists come here every year. Here you can not only soak up the warm sand, swim in the warm sea water, but also to visit interesting excursions.

Between the Greater Caucasus and Kuban is the resort town of Anapa.

Description of the beaches

In Anapa there are excellent beaches with a wide strip and clean sand. The sea is shallow. You can plunge only at a distance of not less than 20 m from the shore. For visiting children is a great way to splash in the water. For lovers of depth we offer to go to the area of High shore, where the sea is deep. The beach here is pebble.

Aquaparks

*There are three water parks in Anapa:
-the Golden beach;
-the Tiki-so;
-the Olympia*
