Where did you spend your last weekend?

I spent my weekend in a summer cottage with my grandparents.

I would like to tell you about my weekend. My last weekend was not monotonous.

What did you do?

I helped my grandpa to dig the garden, to water plants, and to gather fruit and vegetables. Also I was fishing with my grandpa. I enjoyed floating by boat, swimming in the river and helping my grandparents.

On Friday, I was staying at home and watching TV. My friend arrived and we were watching a film on the computer in the evening. This movie was called "Furious 7" and it was very interesting. On Sunday, I was relaxing all day at home. In the morning, I remembered that I had homework; so I did it. In the evening, I was watching TV and afterwards I went to bed.

Who do you like to spend your weekends with and why?

I prefer to spend my weekends with my parents and friends because I have a lot of fun with them. I love my weekend and my family!
