

Useful English phrases for different cases

(How to introduce them at the lesson)

- **We often need different words and phrases, proverbs or idioms to express our feelings or attitude in short and more impressive.**
- **We can use exact things to gain our goals .**

- **It will be more effective to accompany the explanation by pictures.**

- One of the most popular ways to memorize the necessary phrase **for sure** - is to motivate (encourage) students to describe the given pictures in their own words and to explain the link between the phrase and the picture.

Example:

Don't worry, be happy!

Two young people in the picture are happy, as it seems, they've forgotten all their problems for love. I'm sure people are able to feel the full freedom and even fly.

at one's best

в лучшем виде, с лучшей стороны

big deal

дело большой важности и интереса

clear as mud

дело тёмное

cut and dried

В ГОТОВОМ ВИДЕ

go together

подходить друг у другу

like a shot

очень быстро
