

Fyodor Dostoevsky
The influence on the world
culture

A Research Study by

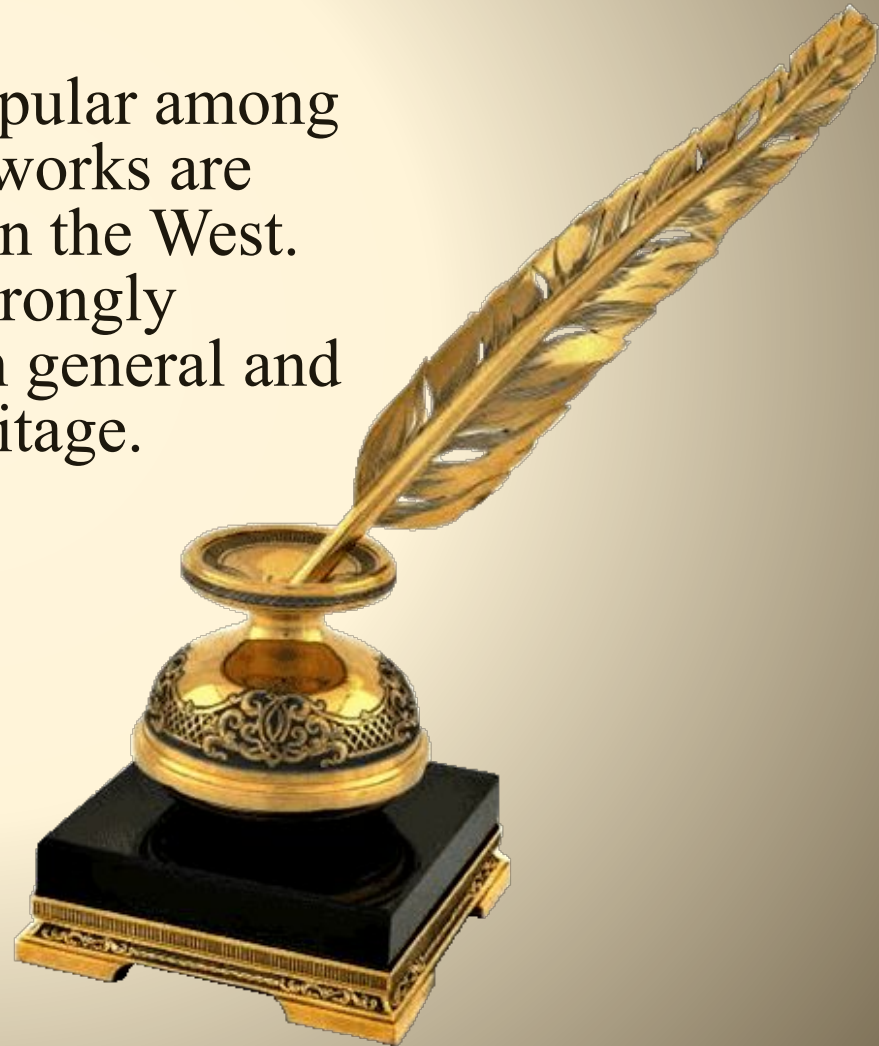

Purposes and responsibilities:

- ❖ To study the influence of Dostoevsky's oeuvre and personality on the different fields of the world culture.

Fyodor Dostoevsky was a Russian writer of 19th-century and one of the best novelists of world significance. His masterpieces are take the prime place in the world's literature treasury. A lot of them are included in 100 best novels of all time.

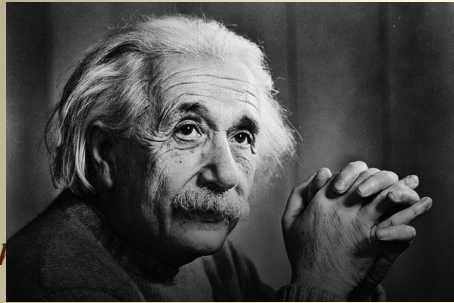

Nowadays Dostoevsky is still popular among Russian people and abroad. His works are considered to be world treasure in the West. For another thing, Dostoevsky strongly affected on the world's culture in general and left behind him an enormous heritage.

❖ *"...Dostoevsky has never had such colossal importance in the West as it has recently the last time..."- Anatoly Lunacharsky*

Many of great people in science and culture were inspired by Dostoevsky. No doubt, he was a literature idol for them and, perhaps, became a support for their spiritual formation.

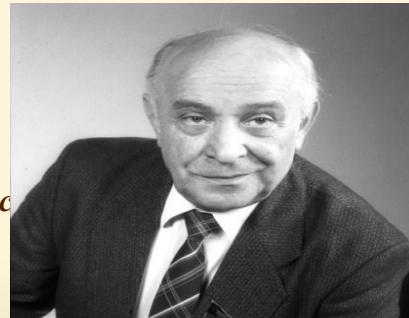

❖ *Einstein "Dostoevsky gives me more than any scientist, more than Gauss." -Albert*

❖ *"...th... have anything to le*

❖ *"He w... r, the aristoc... ke Dostoevsky, gets nearest the moon of our non-be*

Charles Snow , Thomas Mann, Henri Barbusse, Stefan Zweig and many other famous writers, scientists and philosophers of the 20th-century also reported about Dostoevsky works.

Dostoevsky was published not only on the Motherland. Dozens of translators were working at his writings, to make his creation the whole people's heritage.
