

The Russian Federation

Big Cities

Russia is my native country. It lies in Europe and Asia, it's the biggest country in the world.

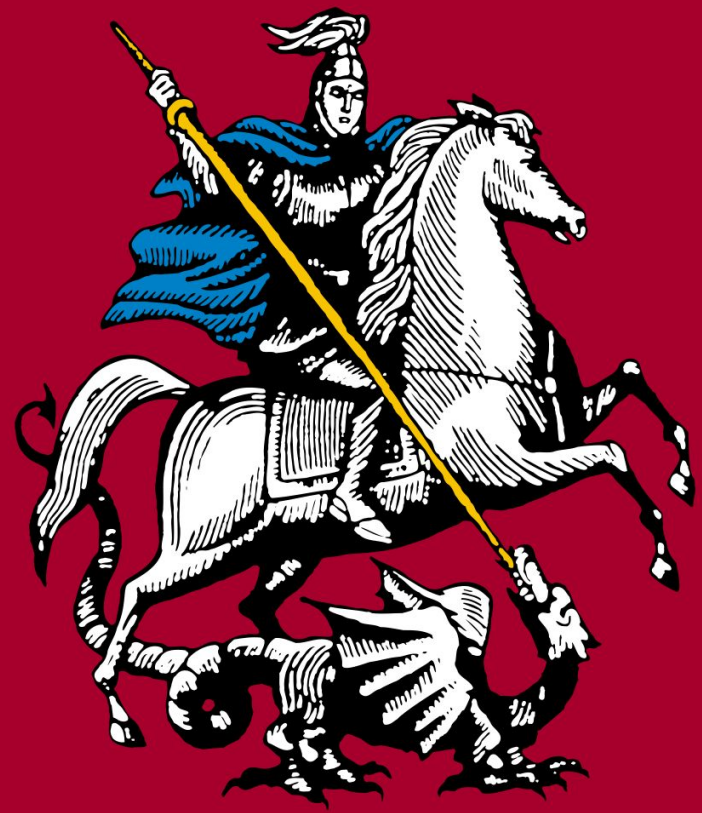

I would like to tell you
about some biggest cities
which have more than one
million people. There are
15 of them.

Then comes Novosibirsk. It is the third largest city in Russia

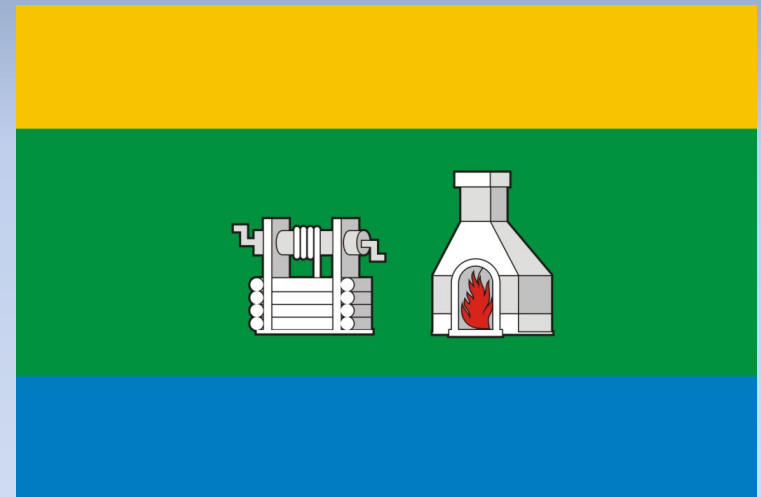

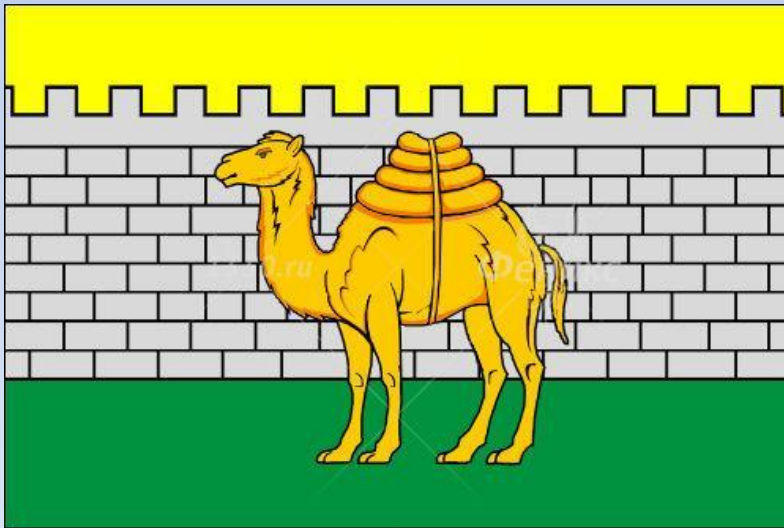

with
It is

I live not far from Yekaterinburg and Chelyabinsk. They both are very old industrial cities. I have visited both. They are beautiful.

Now you can see the flag of Yekaterinburg.

**Chelyabinsk is the fifth city in the list
of the biggest cities of Russia.**

Thank you!
