## Where and Why People Travel

These days people travel a lot. They travel at home and abroad. They want to see new places and to meet new people. Sometimes they travel on business, but often they go to places for holidays.

In summer a lot of people like to go to the sea or stay at the lake or near the river. There they can enjoy swimming and boating and stay in the sun.

In winter people sometimes go to the mountains to ski. It is always nice to be in the forest. Forests, lakes, seas and mountains are very beautiful places. People often make pictures of the places they visit and show them to their friends. When people go abroad, they usually visit interesting places: old towns, castles and museums.

People travel by plane, by train, by car or by sea. Travelling can be very pleasant or not very pleasant but it is usually interesting.
