2. Много людей покупают поездки «все включено», это удобней.
3. Я предпочитаю походы с друзьями в лес, а не морские курорты.
4. Эта экскурсия могла бы быть увлекательней, если бы не было дождя.
5. Они смогут посетить несколько городов за неделю.
6. Они опаздывали, но смогли получить посадочные талоны без очереди.(ahead of line)

Listening.

Preparatory task. Look at the pictures and try to guess what the story will be about.

Listening. You will hear a story about a trip to Australia. Choose the correct answer.

I'm having a great time in the (south/west/northeast) of Australia. It is really (wet/hot/cold) here and I'm spending a lot of time (in the park/on the beach/in the forest). I had a (nasty/pleasant/funny) experience a couple of days ago. I went for a walk on the beach. I was (alone/with mum/with dad) and I came across (a snake/a bird/a spider). It was huge, and it ran after me.

Self-evaluation.

Draw an emoticon of an appropriate colour opposite each task to show your progress

Homework. Informal letter

**Write a letter to your pen-friend Tracy.
(100-120 words)**

Last summer I travelled to Greece with my parents. We took a package tour, but it wasn't the vacation of my dreams.

Have you ever had bad experience travelling somewhere? Are you an adventurous or stay-at-home person? How would you spend your "dream holidays"?
