

Let's Have Fun

There is a story about a schoolboy who was constantly writing “ I have went” instead of “ I have gone” At last the teacher asked him to stay after school and write “ I have gone” a hundred times for him to remember it better. When the teacher came back he found a letter from the boy on his desk. It said.....

Dear Sir,
I have written " I have
gone" a hundred times
and now I have went
